Second Forecast of the Spring Oilseed Crops of Bengal, 1935-36.

(*Note.*—On an average of the five years ending 1933-34, the area under linseed in Bengal has represented some 3·5 per cent. and that under rape and mustard 11·3 per cent. of the total area under these crops in British India.)

Character of the season.—As a result of drought conditions were throughout unfavourable during the period of growth and development in West and part of North Bengal and the outturn has been reduced in consequence. Elsewhere a fair crop is expected.

Area sown.—Oilseeds are chiefly grown in the Rajshahi, Dacca and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under these crops (excepting sesamum for which separate forecasts are issued) is returned at 850,200 acres this year as against 888,100 and 892,100 acres, respectively, in the corresponding and final forecasts of last year.

Outturn.—From the District Officers' estimates, the average outturn of the different oilseed crops for the province works out at 72 per cent. of the normal as against 83 and 87 per cent. reported, respectively, in the corresponding and final forecasts of last year.

PART IV

Bills introduced in the Bengal Legislative Council, Reports of Select Committees presented or to be presented to that Council, and Bills published before introduction in that Council.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 842L.C.—3rd March, 1936.—The following report of the Select Committee on the Bengal Water Hyacinth Bill, 1936, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Water Hyacinth Bill, 1935.

We, the members of the Select Committee of the Bengal Legislative Council to which the Bengal Water Hyacinth Bill, 1935, was referred by a motion carried in the Bengal Legislative Council on the 14th February, 1936, have the honour to submit this our report with the Bill, embodying amendments recommended by us, annexed. All matter omitted by the Select Committee has been printed in *italics* and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in an extraordinary issue of the *Calcutta Gazette* of the 9th December, 1935.

3. We do not consider that the Bill has been so altered by our recommendation as to require republication.

4. The Committee met for the first time on the 17th February, 1936, and concluded its sitting on the 18th February, 1936.

The changes made in the Bill are as follows :—

Clause 1.—The year of the Act has been altered from "1935" to "1936".

Clause 2.—In sub-clause (*1*) we have widened the definition to include any person whom the Collector may authorize to exercise the functions of an Authorized Officer. This will allow the use of responsible non-official agency, *e.g.*, the Chairmen of District Boards, etc.

We have modified the definition of "occupier" so as to make it quite clear that the responsibility for the destruction, etc., of water hyacinth is primarily on the person in actual occupation of the area on which it is found.

On fuller information we have corrected the botanical name for water hyacinth.

Clause 6.—The addition of sub-clause (*c*) is desirable as it is doubtful whether the word "person" used in clause 6(*b*) includes the Government.

Clause 7.—The changes are mainly of a drafting character. The omission of the words "in the prescribed manner" in clause 7(*3*) is supplied in clause 18.

Clause 8.—We have omitted this clause as being unnecessary. The subject matter of this clause will be dealt with by rules.

Clause 9.—As destruction of water hyacinth is the ultimate purpose of the clause, we have made it clear that the clause applies to this as well.

Clause 10.—We have supplied an important omission to the opening paragraph of this clause so as to empower the authorised officer to take his assistants with him when entering on any land, etc., for the purposes of the section.

Sub-clause (*b*) has been amplified to cover "removal" of the pest.

We have omitted the proviso as we have included its substance in new clause 10A. The safeguards in new clause 10A regarding entry, which are in substance the same as those in the proviso to clause 10 as introduced, have also been made applicable to the entry of the authorized officer and his assistants under the provisions of clause 7(*4*) and clause 9(*2*).

Clause 11.—In sub-clause (*1*) the words "payable to the Collector" have been inserted as we consider that the costs should be recovered through the Collector and not on a requisition made direct by an Authorised Officer to a certificate officer.

We have omitted sub-clause (*2*) as being unnecessary in view of our decision that costs are not to be recovered from owners unless they come under the definition of occupier.

Clause 12.—We have redrafted this clause to make it clear that the costs are to be recovered from the profits of land or water only and not from the profits of premises.

Clause 13.—The change is of a purely drafting character.

Clause 15.—We think it desirable to give the full botanical name of the plant known as "*dhaincha*".

Clause 17A.—We think it better to have a self-contained clause dealing with the sale, removal or keeping of water hyacinth for such purposes as may be prescribed by rules, *e.g.*, for scientific experiments.

Clause 18.—We have made this clause applicable also to the removal of water hyacinth [*vide* remarks in regard to clause 7 (*3*)].

Clause 22.—The changes made are all consequential to the changes made in the different clauses of the Bill.

In sub-clause (*3*) we have reduced the penalty for continuing breach from Rs. 10 to Rs. 5.

The changes made in the Explanation and the Table to clause 23 are either verbal or consequential.

We recommend that the Bill, as reported on by us, be passed.

Minute of dissent by Maharaja Sris Chandra Nandy, of Kasimbazar, M.L.C.

I am not quite sure as to whether the Government is wise enough to restrict the scope of the Bill to the destruction of water hyacinth in private lands only. Throughout the Bill no provision has been made as to the party on whom should rest the responsibility of eradicating the pest floating on rivers, *bils* or *khals* or covering big areas of marshy land not belonging to any private party. I think when the scheme is brought into operation the Government should also come forward with measures which would remove the pest from public lands, rivers, *bils* and *khals* as well.

Joint minute of dissent by Maulvi Abdul Hamid Shah, M.L.C., and Maulvi Rajib Uddin Tarafder, M.L.C.

We cannot agree on all points of the Report and we desire to express our views in the open Council.

Resolution on the report of the Board of Revenue, Bengal, on the administration of the Wards, Attached and Trust Estates in the Presidency of Bengal for the year 1341 B. S. (1934-35).

GOVERNMENT OF BENGAL.

Revenue Department.

Land Revenue.

CALCUTTA, THE 28TH FEBRUARY 1936.

RESOLUTION—No. 3448 L.R.

Read—

The report of the Board of Revenue, Bengal, on the administration of the Wards, Attached and Trust Estates in the Presidency of Bengal for the year 1341 B. S. (1934-35).

1. At the beginning of the year under report the total number of estates under the management of the Court of Wards was 124. Five new estates were brought under management of the Court, while four estates were released during the year. Thus at the close of the year there were 125 estates in charge of the Court.

2. The total amount of revenue and cesses due to Government aggregated Rs. 96·85 lakhs of which Rs. 77·74 lakhs or 80·2 per cent. was paid during the year against 73·4 per cent. in the previous year. The defaults accrued in heavily encumbered estates where the collections were insufficient to meet the pressing liabilities.

3. The total current demand due to the estates on account of rent and cesses was Rs. 181·58 lakhs and arrear demand Rs. 315·90 lakhs. The total sum collected was Rs. 173·39 lakhs representing 34·8 per cent. of the total demand or 95·4 per cent. of the current demand against 32·2 per cent. and 85·9 per cent. respectively in the preceding year. This shows a continued improvement in collection in spite of failure of crops in certain areas.

4. The total amount of ascertained debts of the Court of Wards estates in the Presidency at the close of the year stood at Rs. 3,39,69,781 against Rs. 3,24,86,969 in the preceding year. The increase is mainly due to the assumption of management of some new estates with heavy debts and to the discovery of fresh liabilities. The principal repaid or otherwise reduced was Rs. 22,25,315 and the interest paid or otherwise reduced was Rs. 16,40,257 as compared with Rs. 9,76,220 and Rs. 12,63,543, respectively, in the previous year.

5. The percentage of the cost of management of the Wards Estates in the whole Presidency on their current rent and cess demand was 9·7 as in the preceding year. Law expenses rose from Rs. 8·78 lakhs in 1933-34 to Rs. 10·60 lakhs.

6. The Governor in Council notices with satisfaction that a sum of Rs. 5·83 lakhs as against Rs. 5·66 lakhs in the preceding year was spent on education, dispensaries and works of improvement.

7. The thanks of the Governor in Council are due to the Board of Revenue for the efficient administration of the estates under the management of the Court of Wards. He also notices with pleasure the work done by the Managers mentioned in the report.

Order—Ordered that the resolution be published in the *Calcutta Gazette*.

On or before the date of nomination so fixed every candidate for election shall cause to be delivered to the Chairman a nomination paper in Form B annexed to these rules.

(*2*) No nomination paper shall be valid if it is not signed by the candidate, or if it does not give the particulars required in columns 2, 3, 4 and 5 of the said form, or if it is not signed in columns 6 and 7, respectively, for each ward for which the candidate proposes to stand by at least one voter of each such ward as proposer and one voter of each such ward as seconder of the candidate or unless accompanied by a receipt for the deposit of the amount required by section 25 of the Act.

(*3*) Not less than 32 days before the election day the Chairman shall publish a notice in Form C annexed to these rules at the municipal office, fixing the time at and date on which the nomination papers will be scrutinised by him, such date being not less than 26 days before the date fixed for the election.

(*4*) At the time and on the date so fixed, the Chairman shall, at the office of the municipality, scrutinise all nomination papers in the presence of the candidates or their agents if they appear, and shall register as candidates all those whose nomination papers are found to be valid.

(*5*) Not less than 25 days before the election day the Chairman shall publish at the municipal office a list of the candidates registered under sub-rule (*4*). These candidates shall be deemed to be registered as such from the date of publication of the list.

18. Any candidate may withdraw his candidature by a notice in writing which must be subscribed by him and be sent to the Chairman within three days of the date of his registration as a candidate under rule 17(*5*) or rule 20(*2*), as the case may be. A candidate who has withdrawn his candidature shall not be allowed to cancel the withdrawal or to be renominated as a candidate for the same election.

19. As soon as possible after receipt of a notice of withdrawal under rule 18 the Chairman shall cause written intimation thereof to be published in some conspicuous place in the municipal office, and, if the municipality has been divided into wards, also in the ward to which the matter relates.

20. (*1*) If any person who has filed a nomination paper under rule 17(*1*) finds that his name is not included in the list of candidates published by the Chairman under rule 17(*5*) or disputes the right of any other candidate to be on such list, he may appeal to the Magistrate in writing within three days of the date of publication of such list. The Magistrate shall make such order as to the insertion or omission of the name as appears to him to be just, and shall forward a copy of his order to the Chairman so as to reach him not less than 15 days before the date of the election; and the Chairman shall on receipt of the order amend the list, note upon it the date of such amendment and forthwith publish at the municipal office and, if necessary, in the respective ward or wards, the amendments made in the list.

(*2*) A person whose name has thus been newly inserted in the list shall be deemed to be registered as a candidate from the date of such insertion.

(*3*) The order of the Magistrate shall be final.

21. Not less than ten days before the date fixed for the election the Chairman shall publish at the municipal office a revised list of candidates containing all the alterations and amendments made in such original list whether by the order of the Magistrate under rule 20 or in consequence of the withdrawals of candidates under rule 18. The revised list thus published shall be the final list of candidates for the election.

Conduct of Election.

22. (*1*) In any ward all registered candidates shall be declared to be duly elected if their number is not more than the number of vacancies.

(*2*) In such cases, the declaration shall be made by the Chairman in writing, against the name of the candidate concerned, in the final list of candidates published under rule 21.

(*3*) If the number of registered candidates is greater than the number of vacancies, a poll shall be held.

23. (*1*) Before the date of publication of the final list of candidates under rule 21, the Commissioners at a meeting shall fix the place or places (hereinafter referred to as polling centres) at which the poll shall be held on the election day and the hours between which voters shall be admitted into the polling enclosures,

provided that if they fail to do so, the Chairman shall fix such hours and such polling centres.

(*2*) The poll shall be held at the time and at the polling centres so fixed,

provided that where it is considered necessary, separate polling centres may be fixed for the recording of votes by female voters.

(*3*) Notice of such time and such polling centres shall be given by beat of drum and by the publication of notices at the municipal office at the same time as the publication of the final list of candidates under rule 21.

24. After the hours mentioned in the notice referred to in rule 23, no person shall be admitted within the polling enclosure but the votes of all duly registered voters who are already within the enclosures shall be recorded.

25. Each voter shall be entitled to vote for the ward in respect of which his name has been registered, and for no other, and to give as many votes as there are vacancies for each ward for which he is thus entitled to vote:

Provided that he shall not give more than one vote on the same voting paper to any one candidate.

26. (*1*) There shall be in each ward at least one polling centre.

(*2*) Where there are more than one polling centre in a ward the Commissioners shall cause a notice to be published showing the names and serial numbers as given in the Final Electoral Roll of persons whose votes will be recorded at any specified polling centre in the ward.

(*3*) The Chairman may, if he thinks necessary, provide more than one polling booth in a polling centre and shall cause a notice to be published at the gate of each polling booth showing the serial numbers, as given in the Final Electoral Roll of persons whose votes will be recorded at the booth.

(*4*) The Commissioners at a meeting shall appoint a polling officer who is neither himself a candidate for election nor the agent of a candidate to preside over the election at each polling centre, and where there are several polling centres in one ward shall declare one of the polling officers to be chief polling officer.

(*5*) If a polling officer for any reason fail to attend, the Chairman shall appoint another fit and proper person who is not himself a candidate or the agent of a candidate, to take his place.

(*6*) To assist the polling officer, there shall be appointed by the Commissioners at a meeting an Election Committee consisting of not more than five ratepayers of the ward who are not themselves candidates or agents of candidates. No election shall be void because any or all of the members of the committee fail to attend: if less than three members attend, the polling officer may appoint other ratepayers not being themselves candidates or agents of a candidate up to the number of three and the persons thus appointed shall then be deemed to be members of the Election Committee.

27. (*1*) On the morning of the election day the Chairman shall supply the polling officer with the following:—

(*a*) a ballot box provided with an aperture for receipt of voting papers;

(*b*) an instrument for stamping the official mark on such papers;

(*c*) a copy of the Final Electoral Roll, with the particulars prescribed in rule 26 (*2*);

(*d*) a bound book or books containing as many voting papers serially numbered in foil and counterfoil as there are voters entered in the Final Electoral Roll for that polling centre, and other persons entitled under rule 34 (*1*) to vote at that polling centre.

(2) The Chairman shall cause to be provided at each polling centre sufficient writing materials with which voters may mark the voting papers.

(3) The official mark shall be kept secret until the commencement of the polling.

28. The voting paper shall be printed in English or both in English and Bengali in Form D annexed to these rules. The names of candidates in English shall be in alphabetical order. When the voting paper is printed in both the languages the name shall be printed in Bengali below that in English in each case.

29. With the object of safeguarding the secrecy of the ballot and of preventing undue crowding, the Chairman shall divide each polling booth into two rooms or compartments, hereafter called the inner and outer compartments. Votes shall be recorded in the inner compartment.

30. (1) On the election day the polling officer shall admit to the outer compartment of the polling booth the candidates and such agents as may be selected by the candidates, to assist in the identification of voters, provided that there shall be present at one time, in addition to the candidates, not more than one agent of each candidate.

(2) Only voters, members of the Election Committee and such other persons (if any) as the polling officer may by special directions admit, shall be allowed to enter the inner compartment of the polling booth.

(3) No candidate or agent of a candidate shall be admitted into the inner compartment except for recording his own vote.

(4) The polling officer shall regulate the number of voters to be admitted at any one time into either the inner or the outer compartment.

31. Immediately before the commencement of the poll the polling officer shall satisfy such persons as may be present in the outer compartment that each ballot box is empty and shall then lock it and place upon it his seal in such manner as to prevent its being opened without breaking such seal.

32. The candidates and their agents shall not speak to or address any intending voter in the polling booth, but may submit to the polling officer objections to a voter on any of the following four grounds:—

(1) That his name is not on the Final Electoral Roll of the ward in respect of which the election is being held.

(2) That his claim to be a certain voter shown on the Final Electoral Roll is false.

(3) That he has already voted.

(4) Where there is more than one polling centre in a ward, that under rule 25 he is not entitled to record his vote at the polling centre in respect of which the objection is raised.

33. The procedure for recording a vote shall be as follows:—

(i) There shall be no voting by proxy.

(ii) As each intending voter enters the outer compartment, his name and his number in the Final Electoral Roll shall be called out, so that everybody present can hear them.

(*iii*) No objection to an intending voter shall be entertained except on the grounds mentioned in rule 32.

(*iv*) Any objection shall be summarily decided by the polling officer, who may for this purpose take such evidence as may be available on the spot.

(*v*) If after taking such evidence the polling officer disallows the objection or if no objection is raised, he shall hand the voter the foil of a voting paper for the ward and shall allow him to proceed to vote.

(*vi*) Immediately before a voting paper is delivered to a voter, it shall be marked on the back with the official mark and an indication shall be placed in a copy of the Electoral Roll against the number of the voter to denote that he has received a voting paper, but no note shall be made of the particular voting paper which he has received.

(*vii*) The number of the voter in the Final Electoral Roll shall be marked on the counterfoil of his voting paper.

(*viii*) A voter who has received a voting paper shall forthwith be directed, by the polling officer or a person (not being a candidate or his agent) deputed by the polling officer for this purpose, to a place set apart therefor in the inner compartment and shall there mark a cross, within the space headed "voter's mark" on the voting paper, against the name of any candidate for whom he intends to vote. He shall then conceal his vote by folding the voting paper and shall put the paper so folded into the ballot box. He shall vote without undue delay and shall quit the polling enclosure as soon as he has put the voting paper into the ballot box.

(*ix*) If the voter is unable to read the voting paper or to make a cross thereon, the polling officer shall mark the vote on the voting paper according to the direction of the voter at the place set apart within the inner compartment under clause (*viii*) of this rule, provided that if the voter so request he shall do so in the outer compartment. The voter shall then put the voting paper folded as prescribed in clause (*viii*) into the ballot box.

34. (*1*) A polling officer or a member of an Election Committee at a polling centre where he is not entitled to vote shall be allowed to record his vote there on his producing a certificate on a ballot paper from the polling officer of another polling centre that he is entitled to vote at such other centre.

(*2*) His vote shall be recorded in the manner prescribed in rule 33 except that, his voting paper after being filled in and folded as there prescribed shall be placed, with the certificate, in a sealed envelope by the polling officer and sent to the polling officer of the other polling centre who shall remove it from the envelope and put it in the appropriate ballot box.

35. It shall be the duty of the polling officer and the Election Committee to see that votes are recorded with the utmost secrecy, that the number on the voting paper handed over to a voter is not divulged to any other person, that no persons are admitted to either compartment except under these rules and that persons who have recorded their votes or against whom objections have been allowed are caused to leave

immediately. It shall also be their duty to see that these rules and any special directions given by the polling officer thereunder are strictly observed.

36. (*1*) On the conclusion of the poll, the polling officer shall, with the assistance of the Election Committee, in the presence of the candidates or their agents, if any—

(*a*) satisfy himself that the seals affixed to the ballot boxes under rule 31 are intact, and either

(*b*) forthwith, when there is only one polling centre in the ward, open the ballot box and scrutinise the votes in accordance with rule 37, or

(*c*) when there are several polling centres in the ward send to the chief polling officer the ballot-boxes and the books of counterfoils and unused foils of voting papers and the marked copy of the Electoral Roll properly sealed with his own seal and the seal of such candidates or agents as may desire to affix their seal.

(*2*) The chief polling officer shall thereupon with the assistance of the Election Committee, in the presence of the candidates or their agents, if any, satisfy himself that the seals are intact, open the ballot boxes and scrutinise the votes in accordance with rule 37.

37. Any voting paper not marked, marked otherwise than with a cross, or marked elsewhere than in the space provided for the purpose, or on which more crosses are marked than there are vacancies, or on which a cross is so placed as to make it doubtful to which candidate the vote has been given, or on which any mark is made by which the voter may be identified shall be invalid. A note to this effect shall be made upon it by the polling officer and it shall not be included in the count.

38. When the voting papers have been scrutinised the polling officer or chief polling officer shall with the assistance of the Election Committee, in the presence of the candidates or their agents, if any, count the valid votes and declare to be elected in any ward the candidate or candidates to whom the highest number of votes has been given. If there be an equality of votes and if the number of vacancies does not admit of all the candidates who have obtained an equality of votes being elected, he shall by drawing lots in such manner as he may determine select one of such candidates whom he shall declare to be elected.

39. The polling officer or chief polling officer shall forthwith, if not himself the Chairman, report in writing the result of the election to the Chairman.

40. When a candidate has been elected for more than one ward,—

(*a*) he shall be declared by the Chairman to have been elected for such ward, if any, out of those wards, in which the election has been uncontested,

(*b*) otherwise, within five days from the date of the election, he shall declare which of such wards he will represent:

and if he fails to make such declaration, the Chairman shall forthwith declare the ward which such candidate shall represent. In either case such candidate shall be held to be elected in the ward in respect of which a valid declaration has been made under this rule and in every other ward for which the said candidate has been elected the result of the election shall be determined as if no votes had been recorded for him:

Provided that, if there is no other candidate for whom votes have been recorded to fill the vacancy thus caused, a fresh election shall be held.

41. A second election, under section 26 of the Act, shall begin at the stage from which the original election failed, *e.g.*, if the election failed at the time of polling a fresh poll only shall be held or if the election failed for want of candidates, fresh nominations shall be called for.

42. When the voting papers have been scrutinised and counted the polling officer or the chief polling officer, as the case may be, shall forthwith replace them in the ballot box from which they were taken and seal it in the manner prescribed by rule 31 and rule 36 (*l*) (*o*). He shall also seal up the books of counterfoils and unused foils of voting papers and also the copy of the marked Electoral Roll, with his own seal and the seal of such candidates or their agents as may desire to affix them. If he is not himself the Chairman, he shall make them over with the ballot box to the Chairman to be kept in safe custody until the books and the voting papers are destroyed under rule 43.

43. On the expiry of 30 days from the date of the declaration of the result of the election, or, if an election petition has been filed under section 36 of the Act, as soon as possible after the disposal of the petition, the voting papers in the ballot boxes and the sealed books containing unused voting papers and counterfoils shall be destroyed in the presence of such municipal commissioner or officer as the Commissioners at a meeting may appoint for this purpose.

44. The list of duly elected candidates for the whole municipality shall be forwarded by the Chairman through the District Magistrate to the Commissioner of Division for publication by him in the *Calcutta Gazette*.

NOTICE is hereby given that at an extraordinary general meeting of the abovenamed Company held on 14th February 1936 the following resolutions were unanimously accepted and they were confirmed in another extraordinary general meeting held on 6th March 1936 and were taken as special resolutions:—

1. Whereas it has become impossible to manage the affairs of the bank properly in view of the events that, save the deposit of the cash security of the secretary, all the depositors of the bank have withdrawn their deposits: that new deposits are not forthcoming for a long time: that some of the shareholders of the bank have borrowed money which they are now unable to repay and the securities thereof are trying to avoid liabilities: that many of the shareholders have made defaults in the payment of their share money and on demand they express their inability to pay the same and that in view of the economic depression and other causes of the like nature, this meeting unanimously resolved—

That (a) this the Bagbari Loan Co., Ltd., be voluntarily wound up (without taking any help of the Court).

That (b) in absence of any debt of the Company, no call of share money due or to be due be made.

That (c) it is very much difficult and expensive to ascertain the assets and liabilities of the bank. The liquidator may do so, so far as it is possible easily and without any delay. But without long waiting for ascertainment, the liquidator may, in the opinion of the majority of the directors, ascertain the assets of the Company in pro-rata of the realised share money and divide the assets so ascertained according to the right and interest in the Company among the shareholders individually or jointly in case there are more than one shareholder willing to have joint division and giving consent thereto in writing. The liquidator may execute any document if necessary. This act of distribution shall be binding upon all the shareholders. If the amount of debt of any particular shareholders or set of shareholders exceeds the ascertained value of his right and interests in the Company, then to that extent his debt shall be set off. He shall be held liable for the rest of his debt, which shall be realised from him in cash or in execution of decree. If any shareholder does not accept the assets so ascertained, in satisfaction of his right and interests in the Company, those rights and interests shall be considered as paid and if any pronote and document be time barred, the Company or the liquidator shall not be held responsible.

That (d) immediately before the act of distribution the shareholders are entitled to transfer their respective shares in the Company and the liquidator may, upon proper and sufficient evidence, recognise the transferee and his claim. Upon the distribution of the shares, the same shall be considered as satisfied. After that the shareholder may transfer assets distributed to him.

2. That (1) Dhanmamud Mondal of Bagbari, police-station Gabtali, district Bogra, (2) M. Tamij Uddin Mondal of Kolakopa, police-station Gabtali, Bogra, (3) M. Bahar Uddin Mondal of Nashipur, police-station Gabtali, district Bogra, be appointed as liquidators: that M. Bahar Uddin Mondal, liquidator No. 3, be authorised to execute and register the transferred deeds on behalf of this Company and M. Dhanmamud Mondal, liquidator No. 1, be authorised to conduct the suits and cases, to sign plaints, written statements, compromise petitions, power of attorney, etc., on behalf of the Company: that the liquidator No. 1 Dhanmamud Mondal and liquidator No. 3 M. Bahar Uddin Mondal be paid a lump sum of Rs. 400. All other expenditure the Company will meet.

No. 900L.C. — 11th March, 1936. — With reference to the footnote at the end of the Report of the Select Committee on the Bengal Water Hyacinth Bill, 1935, published with notification No. 842L.C., dated the 3rd March, 1936, in Part IV of the *Calcutta Gazette* of the 5th March, 1936, it is hereby notified for general information that Dr. Naresh Chandra Sen Gupta, M.L.C., has subsequently signed the said Report subject to the following minute of dissent.

Minute of dissent by Dr. Naresh Chandra Sen Gupta, M.L.C., to the Bengal Water Hyacinth Bill, 1935.

I reiterate my opinion which I expressed when the Bill was under discussion in the Council that the Bill was fragmentary and inadequate, principally because (*i*) it did not make any provision for Government doing its due share of work, and (*ii*) it aimed at doing the work piecemeal, area by area, instead of one great offensive all over the province at the same time.

The scope of the Bill is limited to providing that no one shall keep water hyacinth on his land or water in a notified area and prescribing penalties for violation of the order. We are assured that such provisions are necessary in order to enable the authorities to carry out programmes for eradication of water hyacinth and nothing more was needed.

If this is the sole object of the Bill, it is difficult to see any justification for the provisions of clauses 9 and 10, not to carry out the work of destruction, but only to discover water hyacinth. Considering that water hyacinth is not a weed which anybody would care to keep concealed or can keep concealed for long, these inquisitional processes are wholly uncalled for.

It would be more to the purpose to authorise destruction parties to pursue water hyacinth to the remotest nook and corner and to remove any obstruction to their work. This the Bill fails to provide except by the addition of the words "or destruction" to clause 9 which seems to me not quite an elegant way of doing it.

VIII of 1885.

STATEMENT OF OBJECTS AND REASONS.

In spite of elaborate attempts made in 1928, in bringing this Act up to a standard of perfection, recent experience has shown that some drafting errors have still crept into the language of some of the newly added sections of the Act. This Bill seeks to remove these defects in the Act.

Besides, experience shows that through failure on the part of the legislature to keep the correct principles in view while framing section 50 of the Act in 1885, injustice now occurs to the landlords who have not been in possession of their estates or tenures, as the case may be, since 1793, when they are compelled to produce rebutting evidence against the presumption. In the circumstances they are placed, they cannot do so, and for this failure on their part, they are hardly responsible. It is therefore only fair and equitable that this defect in the Act should be removed at once, and with this object in view also, this Bill is laid before the House for favourable consideration.

NOTIFICATION.

No. 962L.C.—16th March, 1936.—In pursuance of the provisions of rule 20 of the Bengal Legislative Council Rules, 1920, the following Bill which was introduced in the Bengal Legislative Council on the 27th February, 1936, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL PATNI TALUKS REGULATION (AMENDMENT) BILL, 1936.

A

BILL

further to amend the Bengal Patni Taluks Regulation, 1819.

WHEREAS it is expedient further to amend the Bengal Patni Taluks Regulation, 1819, in the manner hereinafter appearing ; Reg. VIII of 1819.

AND WHEREAS the previous sanction of the Governor General has been obtained under sub-section (*3*) of section 80A of the Government of India Act to the passing of this Act ; 5 and 6, Geo. V, c. 61 ; 6 and 7, Geo. V, c. 37; 9 and 10, Geo. V, c. 101.

It is hereby enacted as follows :—

Short title. 1. This act may be called the Bengal Patni Taluks Regulation (Amendment) Act, 1936.

Amendment of section 14 of Regulation VIII of 1819. 2. After clause *second* of section 14 of the Bengal Patni Taluks Regulation, 1819, the following clause be added, namely :—

" *Third.* The Civil Court may, on the application of the *zamindar* or of auction purchaser, direct that any sum in deposit with the Collector as purchase money for a sale held under section 9 of this Regulation, shall be invested pending the decision by the Civil Court of a suit for the reversal of such sale and thereupon the Collector shall remit the said sum to the Civil Court for investment."

STATEMENT OF OBJECTS AND REASONS.

Section 14A of the Bengal Patni Taluks Regulation, 1819, lays down that " if any objection is made by the *zemindar* or auction-purchaser, the Collector shall refer the application together with the objection to the nearest Civil Court having jurisdiction," etc.

Under sub-section sixth-clause of section 14A " the Civil Court may direct that any sum in deposit with the Collector shall be invested pending the decision of the application by the Civil Court," etc.

But there is no such provision for the investment of the purchase money if a suit be instituted under section 14 in the Civil Court to set aside a sale held under section 9.

The object of this Bill is to provide a provision on the basis of sixth-clause of section 14A, for the investment of the purchase money held by the Collector when a civil suit is instituted under section 14 and thus to remedy a defect which now prejudices the interests of the parties concerned.

Investment of money in Government securities after the suit to set aside a sale, will not be prejudicial to the interest of any of the parties. On the other hand, it will be beneficial to all the parties concerned ; no matter, how the suit be finally decided. For example, if the sale be set aside, the purchaser will get the refund of the money with interest ; if, on the other hand, the sale is confirmed, the outgoing *patnidar* will get the money with interest. But if the investment is not made, one of the parties will suffer heavily. Usually it takes several years to have the final decision in Civil Court and the purchase money, which is usually a heavy amount, remains uninvested all these years at the cost of the parties.

THE BENGAL MEDICAL (AMENDMENT) BILL, 1936.

A

BILL

further to amend the Bengal Medical Act, 1914.

WHEREAS it is expedient further to amend the Bengal Medical Act, 1914, for the purposes hereinafter appearing ; Ben. Act IV of 1914.

AND WHEREAS the previous sanction of the Governor General under sub-section (*3*) of section 80A of the Government of India Act has been obtained to the passing of this Act ; 5 and 6, Geo. V, c. 61 ; 6 and 7, Geo. V, c. 37 ; 9 and 10, Geo. V, c. 101.

It is hereby enacted as follows :—

Short title, extent and commencement.

1. (*a*) This Act may be called the Bengal Medical (Amendment) Act, 1936.

(*b*) It shall extend to the whole of Bengal.

(*c*) It shall come into force immediately.

Amendment of section 17.

2. (*i*) In section 17 insert the following as the first proviso, viz.—

" (*i*) Provided that the Governor in Council may, after consulting the Medical Council, permit the registration of—

(*a*) any person who has undergone a full course of training in any medical college or school and has obtained a certificate to that effect from the head of such college or school and who was practising as a medical practitioner on the date when the Act came into force ; and

(*b*) any person who has obtained proper training in any medical institution and joined the medical profession before the 5th September, 1935, provided that he passes a special examination such as the Medical Council may hold for the purpose of granting registration.

(*ii*) In the existing proviso to section 17, insert the word ' also ' between the word ' Provided ' and the words ' that the Council may'."

STATEMENT OF OBJECTS AND REASONS.

From some time past it has been felt that the provisions of the Bengal Medical Act, 1914, are causing much hardship to a large number of persons who, though properly trained and possessed of degrees, diplomas, certificates, etc., from sources other than those recognised by the authorities and though they had been actually practising medicine, surgery and midwifery from before 1914, cannot get themselves registered and thus become qualified medical practitioners. Practitioners with similar qualification in other provinces, viz., Bombay, the Punjab, the United Provinces, Burma, etc., have been given the privilege of registration long ago, either by amendments of the Acts of the respective provinces or by Government notification. In Bengal nothing in this direction has been done up to date. These practitioners of Bengal have, therefore, formed themselves into a corporate body under the name and style of the " Bengal Medical Union " and have been making representations which should not be altogether ignored. The redress sought for may be given by a simple amendment of the Bengal Medical Act, and it is the object of the present Bill to make this amendment.

The Bengal Medical Act, 1914, in seeking to give protection to the public against quacks, omitted to make provision for the safety of those doctors who had obtained diplomas and certificates from various well-organised and efficient medical institutions before the passing of the Act, who had been practising with ability and reputation for a long time and who could by no stretch of language be called quacks. Yet, in the result, these able, experienced and well-reputed doctors have been classed among the quacks. Many of them have been thrown out of employ from hospitals, tea gardens, ships, steamers, etc., debarred from granting certificates of birth or of illness, and handicapped in many other ways. Their difficulties increased when the Poison Act (Act XII of 1919) came into force and prohibited them from procuring for their patients the requisite drugs included in the schedule of poisons. The transitory provision by Government for an examination of these doctors by the State Medical Faculty was in force only for two years from the passing of the Bengal Medical Act, 1914. The time was too short for the majority to avail themselves of the concession, and moreover a good many did not even get the necessary information within the period. Such people are now on the brink of starvation. Many of them have outgrown the age at which a change of avocation is possible, and, for obvious reasons, a fresh examination also is out of the question. The proposed proviso (*1*) (*a*) of the Bill is intended to meet the cause of these people.

The case of those who have obtained proper training in unrecognised medical institutions since 1914 stands on a similar footing. Several unregistered doctors, who had received their training in such institutions, are now serving in tea gardens, coal mines, etc., and they have been highly spoken of by their superior medical officers, both Indian and European. Some of these unrecognised institutions have since been recognised ; but the students, who completed their course of education therein and began to practise before such recognition, have been left in the lurch. We therefore find good doctors trained at the same institutions, one set of whom—the older and the more experienced set—are unqualified for want of registration, while another set are qualified by registration. Under these circumstances it is but fair and equitable that such students be given at least one chance of being qualified. Hence the necessity for proviso (*1*) (*b*).

[*Cf.* Act VIII of 1885, s. 104 H.]

(*2*) Such suit must be instituted within six months from the date of confirmation of the assessment roll or from the date of the certificate of final publication of the record-of-rights, whichever is later, or, if an appeal has been presented under section 12, within three months from the date of the disposal of such appeal.

Explanation.—The expression "water-line" means the moving edge of the water wherever it may be at any time.

STATEMENT OF OBJECTS AND REASONS.

Though Bengal Regulation VII of 1822 gives sufficient authority for the settlement of revenue, the Regulation does not specifically distinguish between agricultural lands and non-agricultural lands. Furthermore, that Regulation contemplates the adjustment of relationship between landlord and tenant at the time of settlement of the revenue with the object of *equalizing* the public burthens.

Under the Bengal Tenancy Act, 1885, though settlement of fair rent is provided for in agricultural lands, non-agricultural lands are specifically excluded from the operation of the sections dealing with settlement of fair rent. It has been found with the growth of towns that lands originally leased as agricultural holdings have wholly or partly ceased to be used for agricultural purposes. In order to secure the proper revenue on such lands without interfering with contracts made between parties, which, in so far as the rent is concerned, could not legally extend beyond the term of the settlement made by the Government, it is desirable to make clear provisions for the assessment of revenue on such lands and to make such assessments legally binding on the Government's direct tenants either in a Government estate or in an estate held *khas* on account of recusancy of the proprietors. There have been numerous cases where, on account of failure of the tenant to agree under the law of contract to the terms offered by the Government, costly litigation has ensued with the ejectment of the tenant as the ultimate result.

It is intended that this Bill shall provide a means of securing the proper assessment on such lands without undue interference with liberty of contract.

Member-in-charge.

CALCUTTA ;

NOTES ON CLAUSES.

Clause 3 authorises the Revenue-officer to estimate fair and equitable rents and to prepare an assessment roll for non-agricultural lands when a record-of-rights is prepared in respect of any local area, etc., of which a settlement of land-revenue is to be made.

Clause 4 deals with the method of estimating fair and equitable rents.

Clause 5 provides for the procedure for estimating and settling rents where both agricultural and non-agricultural lands are concerned.

Clause 6 relates to the publication of assessment roll and confirmation of the same after hearing representations in regard to entries therein.

Clause 7 deals with the effect of the estimate of rent on the tenants in temporarily settled estates. It provides that such rents together with the rents settled under the Bengal Tenancy Act, 1885, shall be deemed to be the assets of the estate for the purpose of assessing land-revenue.

Clause 8 lays down that the rents specified in the assessment roll shall not be binding on any of the tenants in an estate so long as the same is let in farm by the Revenue authorities.

Clause 9 provides for the realisation of sums not exceeding the amount of rent specified in the assessment roll for a tenant of the highest degree from any tenant of that degree when the estate is held *khas* by the Revenue authorities. Such sums are deemed to be compensation for the use and occupation of the land. It also provides for the realisation of compensation from under-tenants if the tenant of the highest degree surrenders his tenancy or gives up possession thereof or is ejected therefrom or does not agree to pay the compensation.

Clause 10 provides that the rents specified in the assessment roll in respect of an estate which belongs to the Government shall be binding on the tenants of the highest degree and it also provides that such rents can be realised from under-tenants if the tenant of the highest degree surrenders his tenancy or gives up possession thereof or is ejected therefrom or does not agree to pay the rent.

Clause 12 lays down the circumstances in which a tenant of the highest degree or a tenant who is deemed to be a direct tenant of the Government may appeal to the Commissioner or the Board of Revenue.

Clause 13 makes special provision for suits by a tenant who is aggrieved by an entry in the assessment roll.

Clause 16 annuls in certain cases incumbrances on a tenancy sold as a result of non-payment of compensation or rent.

Clause 17 makes provision for application to set aside a sale by an under-tenant or a person having an incumbrance on the tenancy.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 11th March 1936.

Monthly Weather and Crop Report of Bengal for February 1936.

I. *Character of the season.*—During the month under review, the rainfall was in excess of the normal in six districts while in the rest of the Presidency it was below the average. The usual rainfall statement is appended.

II. *Progress of agricultural operations.*—Harvesting of spring crops was progressing under favourable conditions. Preparatory tillage for autumn crops continued, but drought interfered with the progress of the operation.

III. *State of standing crops.*—The condition of standing crops was satisfactory, on the whole.

IV. *Prospects and probable outturn.*—The prospects of standing crops including vegetables were reported to be generally fair. The outturn of wheat and spring oilseed crops was estimated at 67 and 72 per cent., respectively.

V. *Damage to standing crops.*—No appreciable damage to standing crops was reported from any part of the province.

VI. *Condition of agricultural stock.*—The condition of live-stock was generally fair. Sporadic cases of cattle disease, however, were reported from sixteen districts of the Presidency and from Cooch Behar and Tripura States.

District board or local board to superintend the administration of union boards.

16. For section 50 of the said Act the following section shall be substituted, namely :—

Provided that, where there is a local board, the local board shall, subject to the control of the district board, exercise such superintendence over the administration of union boards within the area under the authority of the local board."

STATEMENT OF OBJECTS AND REASONS.

With the gradual establishment of union boards over the greater part of the province it has for some time been felt that local boards in their present form and with their present powers are more or less a superfluity. Under the Bengal Local Self-Government Act of 1885 local boards have no corporate existence, but only derive their powers and duties as agents of the district board. The question of the abolition of the local boards has been under the consideration of Government from time to time since 1922.

The present Bill which has been framed after a careful consideration of the views of the local officers and chairmen of district boards provides that the Local Government may with the consent of the district board concerned abolish the local board in any area within the district. It is proposed that where a local board has been abolished the members of district boards from that area should be elected by persons having qualifications similar to those of union board electors under section 7 of the Bengal Village Self-Government Act, 1919, who may have their names enrolled on the electoral roll for the district. It is also proposed that in areas where local boards have been abolished persons qualified to vote at a district board or local board election shall be eligible to stand as candidates for election as members of district boards.

As the adoption of the system of direct election will involve a substantial increase in the cost of election to district boards, it is proposed to extend the term of office of members of district boards from four to five years.

When a local board has been abolished in any area, all its powers and duties including powers of supervision and control over union boards conferred by the Bengal Village Self-Government Act, 1919, will be taken over and exercised or performed by the district boards.

2. The amendments proposed to be made in the Bengal Village Self-Government Act, 1919, are consequential on those in the Bengal Local Self-Government Act of 1885.

No. 904P.H.—3rd March 1936.—In exercise of the power conferred by clauses (*a*), (*b*), (*c*) and (*m*) of section 311 of the Bengal Municipal Act, 1932 (Ben. Act XV of 1932), the Government of Bengal (Ministry of Local Self-Government) are pleased to make the following rules in supersession of the rules published with notification No. 1806M., dated the 16th October 1917, as subsequently amended:—

Rules for the preparation, publication and execution of projects for water-supply, sewerage or drainage by municipal authorities.

1. *Definition.*—In these rules—

(*a*) "municipal authority" means the Commissioners of a municipality constituted under the provisions of the Bengal Municipal Act, 1932, and includes a joint committee constituted under sub-section (*1*) of section 87 of that Act.

(*b*) "Chief Engineer" means the Chief Engineer, Public Health Department.

(*c*) "Sanitary Board" means the persons for the time being appointed, either by name or by official designation, by the Local Government by notification in the *Calcutta Gazette* to constitute a Sanitary Board.

2. *Preparation of sketch of project.*—(*1*) Whenever a municipal authority desires to undertake a project for water-supply or sewerage, or a comprehensive scheme of surface drainage, or the improvement or extension of existing works of this description, it shall first cause to be drawn up a sketch of the project roughly showing its scope and estimated cost.

(*2*) Such sketch may be drawn up—

(*a*) by the Chief Engineer, at the request of the municipal authority; or

(*b*) by any private firm approved by the Chief Engineer; or

(*c*) with the permission of the Chief Engineer, by the District Engineer, for whose services an application should be made to the District Board; or

(*d*) by one of the officers of the municipal authority or by an officer specially appointed by such authority for the purpose, subject in either case to the selection of such officer being approved by the Chief Engineer.

(*3*) In cases (*b*) to (*d*) referred to in sub-rule (*2*), the sketch of the project, while in course of preparation, shall be subject to examination and amendment by the Chief Engineer.

(*4*) The Chief Engineer shall, in all cases, act as adviser of the municipal authority.

3. *Submission of sketch, statement and application.*—(*1*) When the estimated cost of any scheme, or of any larger scheme of which it forms a part, is Rs. 10,000 or more, or when the financial assistance

of the Local Government is desired, the municipal authority shall submit the sketch of the project prepared under rule 2 to the Sanitary Board through the Commissioner of the Division, together with a statement wherein shall be shown the amount of the funds available to meet the capital and recurring cost of the project from current revenue or by way of loan or from any other source.

(2) The Sanitary Board, after considering the project, shall forward it to the Local Self-Government Department of Government for decision as to administrative approval with such recommendations as they may think fit, and, if the project relates to local areas under the control of two or more local authorities, with proposals for the distribution of the cost.

4. *Conditions precedent to obtaining administrative approval of the Local Government to a project.*—In order to obtain the administrative approval of the Local Government to any such project, the municipal authority shall satisfy the Local Government—

(1) that the cost of maintenance of the projected work can be met by the municipal authority from municipal revenue;

(2) that any loan required to meet the cost of the work can be repaid, together with the interest thereon, within the period that may be prescribed by the Local Government; and

(3) that the work can be done effectually in the manner and for the cost proposed.

5. *Procedure after grant of administrative approval: preparation of detailed plans and estimates.*—(1) When the administrative approval of the Local Government has been obtained to the project (but in no case before such approval, except with the previous sanction of the Local Government), the municipal authority may arrange for the preparation of detailed plans and estimates, and for this purpose may—

(a) apply for the services of the Chief Engineer, or

(b) with the previous sanction of the Chief Engineer—

(i) entrust the work to a private firm; or

(ii) apply to the District Board for the services of the District Engineer; or

(iii) cause the plans and estimates to be prepared by one of its own officers, or by an officer specially appointed for the purpose, subject in either case to the selection of such officer being approved of by the Chief Engineer, who shall first satisfy himself that the officer is fully qualified for the work in question.

(2) In case (a) referred to in sub-rule (1) application shall not be made for the preparation of plans and estimates for alternative schemes, unless the municipal authority at the same time undertakes to pay for each such scheme the fees laid down in rule 31.

(*3*) In case (*b*) referred to in sub-rule (*1*), the plans and estimates, while in course of preparation, shall be subject to examination and amendment by the Chief Engineer.

(*4*) When land has to be acquired, the officer preparing the scheme shall send necessary particulars of such land to the Collector of the district and shall obtain from him an estimate of the cost of its acquisition. This estimate shall be submitted with the main scheme as a separate estimate.

6. *Submission of detailed plans and estimates for approval.*—(*1*) The detailed plans and estimates shall, on completion, be forwarded by the municipal authority in duplicate to the Sanitary Board through the Commissioner of the Division, together with the particulars required by rule 8 and a report on the state of public feeling in regard to the scheme and, if a loan is required, with an application in the prescribed form.

(*2*) If the scheme is for the improvement or extension of existing waterworks, the particulars mentioned in sub-rule (*1*) shall be accompanied by a statement showing in detail the financial position of the water-supply fund of the municipality.

(*3*) If the scheme is a drainage scheme the estimates shall be submitted in forms to be obtained from the office of the Chief Engineer.

(*4*) When the scheme has not been prepared in the office of the Chief Engineer, it shall be accompanied by full details of the calculations of the size and strength of the various works and complete information as to the prices on which the estimates have been based.

(*5*) The Sanitary Board shall submit the scheme as finally drawn up to the Local Self-Government Department of Government for approval, with an expression of their opinion (*a*) on its merits and (*b*), if a loan is required, on the terms of such loan.

7. *Submission of proposals for rules regulating house-connections.*—If the scheme includes projects with the intention of allowing house-connections, the municipal authority shall, within three months of submitting the detailed plans and estimates under rule 6, submit proposals for rules under section 311 of the Act regulating house-connections, with explanations of any variation proposed from the model house-connection rules.

8. *Publication of the scheme after its approval by the Local Government.*—(*1*) When the scheme has been approved by the Local Government, it shall be published in the *Calcutta Gazette*, and locally in accordance with the provisions of section 507 of the Act, with the following particulars, namely:—

(*a*) a general description of the scheme;

(*b*) an estimate of the cost of carrying it out;

(*c*) an estimate of the cost of maintaining it;

(*d*) the source from which the cost will be met;

(*e*) the amount of the loan, if any, required for the scheme, the annual instalments by which such loan will be repayable, and the number of years required to repay it; and

(*f*) when several local authorities are concerned, the distribution of the loan between those authorities.

(2) Where the scheme is for providing or improving the water-supply, the following additional particulars in respect of each municipality concerned shall be also published in the manner described in sub-rule (1), namely:—

(a) the total annual charge to be incurred by reason of the water-supply and to be met by a water-rate;

(b) the percentage of such water-rate on the annual value of holdings;

(c) the average incidence of such water-rate per head of the population.

9. *Final sanction of schemes after considering objections, if any.*—After the expiry of six weeks from the date of the publication under rule 8, and after considering any objections or suggestions that may be received, the Local Government may either sanction or reject the scheme as published, or may refer it, with such proposals for amendment as it may think fit, to the Sanitary Board, who, after considering the scheme and proposals, shall return the scheme to the Local Government together with the opinion of the Board on the proposals; and the scheme and opinion so returned shall be published and disposed of by the Local Government in the manner provided in rule 8 and in this rule.

10. *Commencement of work.*—No work shall be commenced on the project, nor shall any agreement be entered into in respect thereof, until the detailed plans and estimates have received the final sanction of the Local Government under rule 9.

11. *Sanction to heavy excesses over detailed estimates.*—If at any time during the progress of the work the municipal authority has reason to anticipate that the sanctioned detailed estimate will be exceeded by more than 10 per cent., or if it shall at any time appear to the municipal authority that the sanctioned detailed scheme will require material alteration, the municipal authority shall forthwith submit to the Local Government for sanction a revised scheme with revised estimates and plans.

The revised estimates and plans shall be prepared—

(a) in the case of schemes prepared and carried out by the Municipal Engineer under rules 5 (1) (b) (iii) and 13 (2) (a), by that officer and shall be scrutinized by the Chief Engineer.

(b) in the case of schemes prepared and carried out by a firm of engineers of established reputation, or by an engineer specially appointed for the purpose under rule 5 (1) (b) (i) or 5 (1) (b) (iii) and rule 13 (2) (a), by the firm of engineers or the engineer so appointed, and shall be scrutinized by the Chief Engineer.

(c) in the case of schemes prepared and carried out by the District Engineer under rules 5 (1) (b) (iii) and 13 (2) (b), by that officer and shall be scrutinized by the Chief Engineer.

(d) in all other cases, by the Chief Engineer.

12. *Taking over of complete supervision and control by Chief Engineer.*—(1) The Chief Engineer shall have complete supervision and control of the carrying out of all schemes of water-supply, sewerage

and drainage towards which the Local Government make a grant amounting to Rs. 50,000 or more, or to half the total cost of the scheme, or more. The municipal authority shall undertake to pay the fees specified in rule 33 before work on the scheme is begun.

(*2*) In other cases the municipal authority may request the Chief Engineer to take over supervision and control of the work, and on the municipal authority undertaking to pay the fees specified in rule 33, the Chief Engineer shall, if he considers that he can do so without detriment to the public service, take over such supervision and control.

(*3*) Works, of which the complete supervision and control are taken over by the Chief Engineer under sub-rule (*1*) or sub-rule (*2*), shall be considered as contribution works and shall be carried out by the Engineering Branch of the Public Health Department under the rules regarding such works in paragraphs 210 to 214 of the Bengal Public Works Department Code (1st edition), except that the provision made in the Code for establishment, etc., will be covered by the fees specified in rule 33 hereof, or shall be met by the municipal authority by payment of such fees as the Local Government may from time to time prescribe.

(*4*) In addition to the above fees the municipal authority shall bear all law charges on behalf of the Local Government in any suits brought by contractors or others in connection with the execution of any project under this rule:

Provided that no charge shall be payable by the municipal authority under sub-rule (*4*), if, in the opinion of Local Government, the suit is due to the malfeasance or negligence of the Chief Engineer or an officer subordinate to him.

(*5*) The municipal authority shall be given an opportunity of seeing the terms of any contract for the execution of such work before it is executed. The Chief Engineer shall consider any remarks made by the municipal authority as to the terms of the contract and if he is unable to accept the remarks shall submit the matter to the Local Government for decision.

13. *Conditions as to detailed engineering supervision.*—(*1*) Where the projected work is estimated to cost Rs. 10,000 or more, adequate provision for detailed engineering supervision shall be a condition precedent to the grant of final sanction by the Local Government under rule 9.

(*2*) Save as otherwise expressly directed by the Local Government—

(*a*) the work shall be carried out under the supervision of an Engineer, either permanently employed by the municipal authority or specially employed for the purpose, assisted by an adequate establishment of properly qualified overseers, the name and qualifications of the engineer having been previously submitted to the Chief Engineer, and approved by him; or

(*b*) with the previous approval of the Chief Engineer, arrangements shall be made with the District Board for the carrying out of the work under the supervision of the District Engineer and his staff; or

(*c*) the work shall be carried out under the complete supervision and control of the Chief Engineer in the manner provided in rule 12.

(*3*) In cases (*a*) and (*b*) referred to in sub-rule (*2*), the work while in progress shall be subject to inspection and control by the Chief Engineer.

14. *Report by municipal authority to the Chief Engineer in case of small work.*—Where the work is estimated to cost less than Rs. 10,000 and where a grant or loan has been taken from the Local Government, the municipal authority shall report to the Chief Engineer, the agency by which it is proposed to have such works carried out, and shall follow the instructions issued by the Chief Engineer in the matter.

Tenders and Contracts.

15. *Procedure to be followed in case of other works.*—In the case of works carried out under clause (*a*) or clause (*b*) of rule 13(*2*) the procedure provided by rules 16 to 27 shall be followed.

7. Every party who files an appeal in person shall insert in his memorandum of appeal, or otherwise give in writing to the Deputy Registrar, an address at which notices and other processes in the appeal may be served upon him; and any notice or other process sent to such address by registered letter shall be presumed to have been duly served upon such party.

8. No memorandum of appeal from an Appellate Decree or from an Original or Appellate Order presented in person by any party to the appeal shall be registered without an order of the Division Court before whom the party presenting the appeal shall appear in person.

9. In the case of an application for revision, the application shall be accompanied by certified copies of each of the following documents:—

(*2*) If a memorandum of appeal is presented for admission without copies of the judgment and decree or order appealed from, it shall forthwith be returned to the Advocate or party presenting it. If such copies are filed after the period of limitation has expired the memorandum shall be presented direct to the Division Court.

11. If in a memorandum of appeal the ground is taken that there is in fact on the record no evidence or admission to support the decree, such memorandum shall state sufficiently the material finding in support of which there is no evidence or admission on the record.

12. Except as provided in rule 13 of this Chapter, no memorandum of appeal, no memorandum of objection under Order XLI, rule 22 or 26, Civil Procedure Code, no application for review, and no application for leave to appeal *in formâ pauperis* shall be presented for admission unless the same bears an office report as to limitation of time; and, when a stamp is required, as to the sufficiency or otherwise of the stamp; or, in the case of a stamp of which the sufficiency cannot be ascertained, that the report as to the sufficiency of the stamp will be made on the receipt of the record or after further enquiry. Such report shall ordinarily be endorsed on the memorandum or application and returned by the Stamp Reporter before 4 p.m. on the day on which such memorandum or application was made over to the Stamp Reporter for examination.

In cases in which it may not be possible for the Stamp Reporter to return the memorandum of appeal or application on the day on which such memorandum or application was made over to him for examination, the time taken by the Stamp Reporter in preparing his report shall be excluded from the prescribed period of limitation:

Provided that if the Stamp Reporter on examination certifies that the memorandum or application is not barred by limitation, is sufficiently stamped and complies with the provisions of these Rules, the date on which such memorandum or application was made over to the Stamp Reporter for examination, shall be deemed to be the date of presentation to the Deputy Registrar or such other officer as the Registrar may appoint under rule 14 of this Chapter.

13. On the first day on which the High Court re-opens after the annual long vacation a memorandum of appeal or objection under Order XLI, rule 22 or 26, may be presented to the Deputy Registrar or such other officer as the Registrar may appoint for the purpose, and an application for leave to appeal *in formâ pauperis* may be presented to the Division Court, without the office report, as required by the preceding rule:

Provided that all memoranda of appeal or objection as aforesaid which are presented for admission on the re-opening date after the High Court's annual vacation shall be dealt with in accordance with the provisions of rule 18 of this Chapter, after the Stamp Reporter has recorded his report.

14. Every memorandum of appeal (other than a memorandum of appeal from an Appellate Decree filed by a party to the appeal in person) or memorandum of objection under Order XLI, rule 22 or 26, Civil Procedure Code, shall be presented in the High Court to the Deputy Registrar or such other officer as the Registrar may appoint for the purpose by the appellant in person, or by his recognised agent, or by an Advocate appointed under the provisions of Order III, rule 4, Civil Procedure Code, or by some person appointed in writing by such advocate to present the same:

Provided that any such memorandum, which bears a report of the Stamp Reporter to the effect that the prescribed period of limitation has expired, shall be presented direct to the Division Court.

15. Applications for review and memoranda of Appeals from Appellate Decrees or from Original or Appellate Orders filed by parties to the appeal in person shall be presented direct to the Division Court concerned after the report prescribed in rule 12 above has been obtained.

Applications for revision shall be presented direct to the Division Court without the report prescribed in rule 12, but such applications shall exhibit the particulars required by Rule 2 of chapter IV of these Rules.

16. Applications for leave to appeal *in formâ pauperis* shall be presented with the report of the Stamp Reporter in open Court to the Division Court concerned in accordance with the provisions of Order XLIV, Civil Procedure Code.

17. The officer to whom a memorandum is presented under rule 15 of this Chapter shall endorse on every such memorandum the date of presentation and shall send the

same to the Stamp Reporter who, if the memorandum is not barred by limitation, is sufficiently stamped, and complies with the provisions of these rules, shall—

(*a*) in the case of an Appeal from an Original Decree, admit it and cause it to be registered and that notice should issue to the respondent;

(*b*) in the case of an Appeal from an Appellate Decree, or an Appeal from an order, admit it, cause it to be registered, and posted to a Bench for hearing under Order XLI, rule 11, Civil Procedure Code; and

(*c*) in the case of a memorandum of objection under Order XLI, rule 22 or 26, Civil Procedure Code, admit it, and cause it to be registered :

Provided that the memoranda of appeal or objection to be dealt with by the Stamp Reporter under this rule shall first be submitted for the scrutiny of the Deputy Registrar as to the sufficiency of the court-fees paid and as to whether the stamps have been properly punched and defaced under the rules.

18. (*1*) If there is a reasonable doubt as to the amount of court-fee leviable on any memorandum of appeal which an Advocate or a party desires to present, he shall apply to the Registrar, as Taxing Officer, for his decision as to the court-fee payable, and the Registrar shall pass an order accordingly and fix a period within which the requisite court-fee must be paid.

If the requisite fee is not paid within the period fixed, the case shall be laid before the Division Court for orders.

(*2*) If the Stamp Reporter, on a memorandum being presented to him finds that it has been insufficiently stamped, he shall make a note thereon as regards the deficiency and shall return it, with as little delay as possible, to the Advocate or the party presenting it. If the Advocate or the party refiles it having supplied the deficit court-fees, within the prescribed period of limitation, the Stamp Reporter shall record a note to that effect on the memorandum which shall then be admitted.

(*3*) The Advocate or the party to whom a memorandum is returned under clause (*2*) may apply to the Registrar for time to put in the requisite court-fee. On such application being made the Registrar, if he is satisfied that the insufficiency of the court-fee was due to a mistake on the part

of the applicant as to the court-fee payable, may fix a period within which the additional court-fee must be paid. In other cases or when the requisite fee is not paid within the period fixed, the Registrar shall lay the matter before the Division Court for orders.

(*4*) If a memorandum which has been returned under clause (*2*) and for filing which no time under clause (*3*) has been fixed is refiled, sufficiently stamped, after the period of limitation has expired, it shall be presented direct to the Registrar and the latter may pass an order for the admission thereof or lay it before the Division Court for orders according as, in his opinion, a case as to mistake as referred to in clause (*3*) has been made out or not.

(*5*) An application made under clause (*3*) or a memorandum of appeal refiled under clause (*4*) must be accompanied by an affidavit explaining the insufficiency, unless the insufficiency is due to a mistake which is apparent on the face of the papers filed.

19. The Stamp Reporter or the Bench Clerks, as the case may be, must see that section 30 of the Court-fees Act is strictly complied with and that no document requiring any court-fee stamp is filed or acted upon in any proceeding either before the Court or in its offices, until the stamp has been effectively cancelled.

20. In any case in which a memorandum has been returned for amendment under the orders of the Registrar, it shall be the duty of the Deputy Registrar to attest the amendment by his signature.

21. If a memorandum bears a note that a report as to the sufficiency of the stamp will be made on the receipt of the record, the Deputy Registrar or such other officer as the Registrar may appoint shall note thereon the date of presentation and shall retain it pending the receipt of the report.

22. Every memorandum retained under the provisions of rule 21 shall, immediately after the receipt of the record, be examined by the Stamp Reporter, who shall endorse on it his report as to the sufficiency of the stamp and shall thereupon proceed in the manner provided in rules 17 and 18 above.

23 Whenever the Stamp Reporter finds that a document which ought to bear a stamp under the Court-fees Act, 1870, has been through mistake or inadvertence

received, filed or used in the Court without being properly stamped, he shall report the fact to the Advocate who presented such document. Such Advocate shall at once initial the report and shall within one week thereafter, or within such further time as the Taxing Officer may allow, note on it whether he accepts or disputes the accuracy thereof. If such note is not made within such time, it shall not be open to such Advocate to dispute the accuracy of the report.

NOTE.—The Honourable the Chief Justice has been pleased to declare that the Registrar of the High Court, in its Appellate Jurisdiction, shall be the Taxing Officer within the meaning of section 5 of the Court-fees Act, VII of 1870, of the Court in its Appellate Jurisdiction.

24. If a memorandum which has been dealt with under rule 18 above is duly stamped or amended under rule 20 within the time fixed by the Registrar or the Court, as the case may be, the Registrar or the Court shall admit it and cause it to be registered. If such memorandum is not duly stamped or amended within the time allowed, the Court may reject such memorandum or pass such other order relating thereto which it may consider proper.

25. An application supported by an affidavit shall be filed for an order for amendment of the memorandum of an appeal consequent on the death of a party including a party whose heirs are already on the record:

Provided that where such amendment relates to a matter in respect of which an order has already been obtained in the court below but has not been incorporated in the decree of that court, no application shall be necessary but an affidavit setting out the particulars will be sufficient.

26. If a respondent who was described as a minor in the decree to be appealed from has attained majority before the appeal is preferred, and the appellant impleads him as a major in the memorandum of appeal, the same shall be accompanied by an affidavit stating the said fact.

27. Where the Deputy Registrar is appointed guardian *ad-litem* of minor respondents under Order XXXII, rule 4(4), Civil Procedure Code, the appellant, at whose instance such appointment is made, shall within 15 days, deposit with the Accountant of the Court the sum of Rs. 51 or Rs. 19, as the case may be, as cost to enable the Deputy Registrar to appoint an Advocate on his behalf, and shall within the same time file in Court an indemnity bond in favour of the Deputy Registrar.

28. If a respondent, who was described as a minor in the memorandum of appeal, appears as a major he shall, when making such appearance, file an affidavit stating the fact that he has attained majority together with the date when he did so. On such affidavit being filed, the appellant, unless he disputes the fact of the respondent attaining majority, shall file an application, which need not be verified, for amending the memorandum of appeal, and thereupon the memorandum of appeal shall be amended accordingly. If no such affidavit is filed by such respondent, he shall be precluded from appearing as a major and the appellant shall be required to put in the costs, etc., for the appointment of the Deputy Registrar as guardian *ad litem* of the said respondent:

Provided that it shall always be open to the appellant to ask for such amendment on making an application supported by an affidavit for the purpose.

29. Where in an appeal or other proceeding the natural guardian of a minor respondent or opposite party, upon being duly served with notice, does not appear in due time and the Deputy Registrar is appointed guardian *ad litem*, the natural guardian shall not be allowed to appear unless he files an application supported by an affidavit making out sufficient ground for the removal of the Deputy Registrar as required by rule 11 of Order XXXII of the Civil Procedure Code. Notice of such application shall be duly served by the applicant upon the Deputy Registrar and if an order is made removing the Deputy Registrar it shall be made subject to the payment by the natural guardian of any cost that the Deputy Registrar may have incurred as guardian *ad litem* in respect of Advocates' fees, etc.

30. On any Court day on which no Bench is or has been sitting, any memorandum of appeal or application which might be barred by time, and which is entertainable only by a Bench, may be presented to the Deputy Registrar or, in his absence from Court on that day, to an Assistant Registrar on the Appellate Side of the Court, who shall certify thereon that such application was on that day presented to him: provided always that no such presentation to the Deputy Registrar or an Assistant Registrar shall be of any effect unless such application be presented to a Bench on the next subsequent day on which a Bench is sitting.

31. When an Appeal from an Original Decree or an application for revision has been admitted and registered, or, in the case of Appeals from Appellate Decrees and Appeals from Orders, when the Court has passed an order to the effect that the appeal will be heard, it shall be the duty of the Deputy Registrar to send a notice [*see* Forms Nos. 1 and 2 (Civil) of Appendix I] immediately to the Court from whose decision the appeal is preferred, or the application is made, and to call for the transmission, ordinarily within seven days, of the record and all material papers:

Provided that in every appeal from an interlocutory order made in a suit and coming under Order XLIII, rule 1, clauses (*q*), (*r*) and (*s*), Civil Procedure Code, copies only of the plaint, written statement (if any), order-sheet and the papers directly relating to the interlocutory proceedings in appeal shall be called for unless the Court or the Registrar otherwise directs.

NOTE.—Records of execution cases sent up in appeal to the High Court shall invariably be accompanied by all the papers connected with them in the Lower Courts, whether Original or Appellate, including the decree which is the subject of the execution proceedings.

32. Whenever it shall be impossible for the Lower Court to comply with the requisition within the time stated such court shall report the reason of its inability and shall ask for such further time as may be necessary.

33. The fee for the issue of the notice to the respondent under Order XLI, rule 14, Civil Procedure Code, shall be paid into Court by the appellant:—

(*a*) in the case of Appeals from Original Decrees: within two weeks of the date of registration of the appeals, notice whereof shall be given in the manner prescribed for Appeals from Appellate Decrees in Rule 59, Chapter IX;

(*b*) in the case of Appeals from Appellate Decrees and Appeals from Orders, other than those which are dismissed at the preliminary hearing under Order XLI, rule 11, Civil Procedure Code, within 30 days of the date on which the Court passes an order admitting the appeal.

34. (*1*) The appellant within thirty days from the registration of the memorandum of appeal, notice whereof

shall be given in the manner stated in Rule 33(*a*) above, shall, in the case of Appeals from Original Decrees, deposit with the Accountant, in one instalment, the sum of Rs. 50 if the appeal does not exceed Rs. 10,000 in value; Rs. 75, if such appeal exceeds Rs. 10,000 in value but does not exceed Rs. 15,000; and Rs. 100 if such appeal exceeds Rs. 15,000 in value.

(*2*) (*a*) In the case of Appeals from Appellate Decrees and Appeals from Remand Orders under Order XLI, Rule 23, Civil Procedure Code, in which the valuation of the appeal exceeds Rs. 50, and Appeals under Chapter X of the Bengal Tenancy Act, the appellant shall, within 30 days from the date of registration of an appeal, deposit, in one instalment, the sum of Rs. 10 and the respondent, at the time of entering appearance, Rs. 5 in full payment of the costs of the preparation of a typewritten paper-book:

Provided that in an Appeal from Appellate Decree in which there was an order of remand passed by the lower appellate court, and in which the previous judgments (of both original and appellate courts) will have to be included in the paper-book, the charge of the paper-book to the appellant will be Rs. 12, instead of Rs. 10, and to the respondent Rs 6, instead of Rs. 5.

NOTE.—In cases where respondents are represented by separate Advocates each such set of respondents shall deposit the sum of Rs. 5 on entering appearance in full payment of the cost of the preparation of a typewritten paper-book.

(*b*) In the case of analogous appeals of the classes mentioned in clause (*a*) above, the appellant shall, within 30 days from the date of registration of an appeal, deposit, in full payment of the costs of the preparation of a typewritten paper-book, the sum of Rs. 10 for the first appeal, the charge for the analogous appeals being Re. 1-8 per appeal up to four such appeals, and annas 12 for every such appeal in excess of four, the additional charge not exceeding Rs. 10 in any case.

In such cases, the respondent, on entering appearance, shall deposit Rs. 5 for the first appeal and half the charges prescribed for the appellant in respect of the analogous appeals, the additional charge not exceeding Rs. 5 in any case. The principle of this rule will apply to each set of respondents who enter appearance through separate Advocates

(*c*) Where analogous appeals have been presented in separate batches, each batch of such appeals presented by the same appellant or by the same Advocate representing different appellants, shall be considered as a separate batch of analogous appeals and the cost of the preparation of the typewriten paper-book shall be deposited for each batch of such appeals separately calculated according to the provisions of clause (*b*). In the case of single appeals presented by different Advocates or appellants in person, such costs shall be deposited as provided in clause (*a*) for each such separate appeal, notwithstanding that such appeals may be analogous to others.

NOTE.—In cases in which some of the analogous appeals exceed Rs. 50 in value and some do not, the principle of the rules applicable to appeals valued over Rs. 50 shall apply to the whole analogous batch.

(*3*) In the case of First Appeals from Orders passed by a Provincial Civil Court (including orders under section 47, Civil Procedure Code) the appellant shall, at the time of paying the fee for the issue of the notice to the respondent under Order XLI, Rule 14, Civil Procedure Code, deposit the sum of Rs. 30 towards the cost of the preparation of the paper-book in the Appeal.

NOTE.—When tendering money in the accounts section the Advocate shall certify that the amount tendered is the full amount of initial deposit after reduction or otherwise, and the money shall not be received if this certificate is not given.

35. (*1*) Whenever it is necessary under these Rules to issue a notice to a respondent under Order XLI, rule 14, Civil Procedure Code, the appellant shall, simultaneously with the filing of the fee for the issue of such notice, file printed forms of such notices, duly filled up in the prescribed form No. 3 (Civil) of Appendix I, the date of appearance and the date of the notice being left blank.

(*2*) The information entered in the forms must be filled up in the vernacular (or in English if the respondent to be served is a European British subject or a resident of Calcutta) in a bold, clear and easily legible handwriting.

(*3*) The date fixed for appearance will be inserted in the form and the notice will be dated and signed by an Officer of the High Court.

(*4*) The necessary number of the printed forms of notice in the prescribed form will be supplied to the appellants, or their Advocates, free of cost on application to the Forms Clerk.

(5) The Registrar may, in his discretion, direct in any particular case that the forms of notice be entirely filled up in the office of the Court.

36(a). If the fee for the issue of the notice to the respondent be not paid into Court in the manner provided by rule 33, or the deposit required under rule 34 be not made within the time allowed by that rule, or if the notice forms, duly filled up, be not filed as provided in the last preceding rule, the appeal shall be placed before the Registrar who may, in his discretion, either grant further time for making such payment, or deposit, or filing the notice forms, or direct the appeal to be placed before the Court for orders:

(b) No process-fee for the issue of notice to the respondent, or deposit under rule 34, or notice form filled up in accordance with the provisions of rule 35, shall, except under the orders of the Registrar, be accepted after the expiry of the period allowed by these Rules.

No order shall be passed under this rule except upon an application duly stamped with a court-fee of Rs. 2 setting forth sufficient grounds for the delay: Provided that if it is deemed necessary orders may be passed directing an affidavit to be filed in support of the application for extension of time.

NOTE.—In case any affidavit to be used under this Rule is sent from Muffasal, and is in the vernacular, it shall be accompanied by an English translation certified to be correct by an Advocate or a Translator of this Court.

Provided, further, that if the fees referred to in these Rules be paid into court out of time, but before the case is listed in Lawazima before the Registrar, the filing of an Application may be dispensed with.

37. If the process-fee be paid and the notice forms be filed within the period prescribed by rules 33 and 35, or within the further period allowed by the Registrar, the notice in the prescribed form shall at once issue on the respondent.

38. If such respondent reside within the jurisdiction of the Court from whose decree or order the appeal is preferred, the notice to such respondent shall be sent to the presiding officer of such Court together with the proceeding of the High Court calling for the record.

39. Notice for service on respondents or opposite parties residing in any district other than that from which the appeal, application, etc., comes, shall be sent by the Deputy Registrar to the proper Court in the district in which such notice is to be served. If, however, the opposite party, or any of the parties to be served, resides in the same district but outside the jurisdiction of the Court from which the appeal, application, etc., comes, the notice shall be sent for service to the Court within whose jurisdiction the party resides, if known; if not known, then to the Court from which the appeal or application comes, directing the latter to forward it to the proper Court within the jurisdiction of which the notice is to be served. The Court which serves any notice shall in every case make its return of service, or of the failure of service (as the case may be), direct to the High Court.

40. On receipt of the proceedings of the High Court, transmitting the notices of appeal or application, the Lower Court shall cause their service without the payment of any further fee and without any further action by the Appellant: Provided that:—(1) any additional fees for boat-hire or ferry toll exigible under rule 4 of the Rules framed under clause (*i*) of section 20 of the Court-fees Act, VII of 1870 [*see* Chapter 12 of these Rules], shall be deposited by the appellant or applicant in the Court of service; (2) the appellant or applicant or some one employed by him may, in any particular case if he so desires, accompany the serving officer for the purpose of facilitating the service of the processes.

41. The time allowed for service of the notice shall be specified therein by the Deputy Registrar in accordance with the time-table in rule 46 and shall commence from the date on which it is despatched, which shall, in general, be the day on which the process-fee is deposited and the notice forms are filed.

42. The Lower Courts shall issue all notices immediately on receipt thereof and in their returns of service shall, in every instance, insert (*a*) date of receipt of notice; (*b*) date of delivery to the serving officer; and (*c*) date of receiving it back from him.

43. It shall be the duty of the Lower Court to cause the notice to be served in sufficient time before the date fixed, and, if such service be impracticable, to state, when

returning it to the High Court, the reasons thereof. The Lower Court shall satisfy itself that a valid service has been made, or that there has been a failure of service, and shall certify such opinion with the reasons in case of failure of service. The certificate shall be accompanied by the return of service, or of failure to serve the notice, and the declaration of the serving officer specifying the fact and mode of service or the reason for non-service.

NOTE.—In every case in which a report is received from the Lower Court to the effect that a process issued by this Court cannot be served on the party for want of the necessary boat-hire, it shall be the duty of the office to bring such report to the notice of the Registrar who, if necessary after hearing the Advocate engaged in the case, may fix a date within which the necessary boat-hire shall be deposited in the Lower Court and at the same time alter the date of hearing of the case and also extend the date within which the return of service should be submitted. Intimation to this effect shall then be sent to the Lower Court concerned by means of a service post card in the prescribed form [*see* From No. 4 (Civil) of Appendix I] and the Advocate concerned shall also be informed.

44. The date to be fixed for the hearing of the appeal shall be the 21st day after the date on which the time for the service of notices expires, provided that if such day be a Sunday or holiday, the first open day next following shall be the date fixed for the hearing.

45. In an appeal in which more than one respondent is to be served with the notice under Order XLI, rule 14, Civil Procedure Code, the Deputy Registrar, in fixing the time for the hearing of the appeal, shall fix the 21st day after the day fixed for the service of the notice of appeal on the respondent for whom the longest period is allowed under the following rule

46. The following time-table shall be observed :—

District	Number of days allowed for service of notice of appeal on the respondent.
The Municipalities of Calcutta and Howrah	10 days.
All Districts of Bengal (excluding the Municipalities of Calcutta and Howrah)	21 ,,
Assam	28 ,,

47. When in an appeal or other proceeding the Court orders a notice to show cause to issue, such notice shall ordinarily be issued to all parties to such appeal or other proceeding and to any person whom it is proposed to make a party. If the person to whom the notice is to issue is a

minor, a person of unsound mind, or other disqualified person, it shall also be issued to the guardian or next friend of such person.

48. In every case in which an appeal has been admitted, the Registrar shall cause paper-books to be prepared in accordance with the provisions of Chapter IX.

49. As soon as the paper-book has been prepared in accordance with the provisions of Chapter IX, and the appeal is otherwise ready for hearing, it shall be entered in the General List and notice thereof shall be published in the manner prescribed in Rule 66 of Chapter IX of these Rules.

Provided that, unless there is a special order to the contrary, no appeal shall be entered in the Weekly Cause List until the expiry of seven days from its entry in the General Cause List of Appeals ready for hearing.

50. The Deputy Registrar shall, on Suturday of each week, cause to be prepared and posted on the Notice Board of the Court a list of cases which are ready for hearing during the week. This list shall be called "The Weekly Cause List."

51. From the Weekly Cause List the Deputy Registrar, subject to any special orders passed by the Judges or by the Registrar under rule 57 of this Chapter, shall each day cause to be prepared and posted on the Notice Board of the Court a list of the cases to be taken up by each Bench on the following day. This list shall be called "The Daily Cause List," and a copy of it shall be submitted to each Judge.

52. The Daily Cause List for the days on which the Registrar sits shall include a list of the cases which will be taken up by him.

53. If on the date fixed for the hearing of any appeal, application or other matter, it appears that the requisite notices have been served, and the matter is otherwise ready for hearing, the matter may be disposed of; if not disposed of, it shall come on for disposal in the ordinary course, and no notice of any date fixed for hearing shall be given other than its inclusion in the Daily Cause List.

54. A case which is part-heard shall, unless otherwise ordered by a Bench, be placed first in the Daily Cause List for the day on which the Bench which has partly heard such case next sits for the disposal of that class of business.

55. Subject to rule 54, a case which is specially fixed for a particular day before a particular Bench shall be placed at the head of the list for that day.

56. The cases in the Daily Cause List shall, unless the Bench otherwise directs, be called on and disposed of in their order on the list.

57. Any person desiring that a case shall not be placed in the Daily Cause List for any particular day or days may, after notice to the opposite party, apply to the Registrar, and thereupon the Registrar may, subject to the proviso to rule 2(*20*), Chapter II, order that such case shall not be placed in the Daily Cause List for any such day or days.

58. Appeals from Orders shall have precedence over other appeals in preparation for hearing and shall, when ready, be put up for hearing as soon aspossible.

59. When an order has been made under Order XLI, rule 23 or 25, Civil Procedure Code, the Deputy Registrar shall make a note of the same in a register to be kept for the purpose, and he shall bring to the notice of the Registrar any case in which the Subordinate Court has not made a return to the order of remand within four months, or within such time as may have been specially ordered.

60. On receipt of the finding of a Lower Court in a case referred under Order XLI, rule 25, Civil Procedure Code, the Deputy Registrar shall notify to the Advocates of the parties that any objections to such finding must be filed within one week from the date of the service of the notice.

61. Whenever by an order of a Division Court, the decree or order of a Lower Court is modified or reversed, or costs are fixed in any special sum not specified in the judgment, as soon as the decree or order has been drawn up, it will be the duty of the Bench Clerk concerned to cause a notice to be issued to the Advocates concerned or to the parties, if acting in person, stating that such decree

or order has been drawn up and that it may be perused by any party or his Advocate within one week from the date of the issue of the notice.

62. When such notice has been issued, any party or his Advocate may, before the expiry of the time prescribed in rule 61, peruse the decree and either sign it or state his objection to the Judge or Judges, or one of them who delivered the judgment; or if such Judge or Judges has or have ceased to be a Judge or Judges of the Court, or be absent on leave or furlough, then before such Judge or Judges as the Chief Justice may appoint for that purpose.

63. (*1*) Should no objection be filled on or before the date specified in the notice, the Bench Clerk shall submit the decree to the Judges for signature.

(*2*) In drawing up decrees of this Court dismissing with costs appeals by minors, the Bench Clerks should be careful to make the next friend of the minor liable for such costs, unless the Court otherwise orders.

(*3*) In cases where a minor is a respondent and the decree of the Court below is reversed or altered, it shall be the duty of the Bench Clerk to call the attention of the Division Court to that fact, in order that special directions may be given as to the payment of costs.

64. A copy of the judgment and of the decree passed by the High Court, disposing of an appeal shall be certified by the Deputy Registrar and forwarded by him to the Court which passed the decree appealed from, in the manner prescribed by Order XLI, rule 37, Civil Procedure Code.

65. Every decree and order made by the High Court shall be drawn up in the English language.

66 Except when the Registrar otherwise directs, the records of the Lower Courts shall be sent down as soon as possible after the case has been disposed of.

67. No Advocate shall receive instructions from any person other than an Advocate, an Attorney, an enrolled Mukhtar of the Court, or the party himself, or a person holding a general power-of-attorney from him, or his servant or relation, or a Pleader of the mufassal Court, specially authorised in writing in that behalf. Where there are more parties than one, and they appear by

separate vakalatnamas, the vakalatnama of one may be received from any other similarly authorised, but if they appear by one and the same vakalatnama, it may be received from any one of them, or from a person duly authorised by any one of them, without special authority from the others. When any vakalatnama is filed by an Advocate, he shall endorse on the back of it the name of the person from whom it is received, and if such person is not the client himself, or an Advocate, Attorney, or enrolled Mukhtar, shall state the nature of the authority, with date, of that person.

68. When an Advocate retained to appear for any party to an appeal is prevented by sickness or engagement in another Court, or for any other sufficient cause, from appearing and conducting the case of his client, he may appoint another Advocate to appear in his place so that his client may not be unrepresented at the hearing: but such Advocate shall not so appear unless he shall have first obtained the special permission of the Division Court, or the Registrar, as the case may be.

69. In any case in which the party employing an Advocate, or his agent, after due notice fails to pay the amount of the estimated costs for preparing briefs necessary to enable the Advocate to conduct the case properly, the Advocate or Advocates, after notice to such party or his agent, or by leave of the Court, may withdraw from the case.

70. An Advocate may also, for any other sufficient cause, or after such notice to his client as may enable him to appoint another Advocate by leave of the Court, but not otherwise, and on such terms as the Court may order as to refunding any fees he may have received, withdraw from the further conduct of the case.

71. A party desiring to cancel a Vakalatnama filed by him in any appeal or other proceeding in this Court must file a duly stamped and verified application for the orders of the Court unless the Advocate who accepted the Vakalatnama signifies his willingness to retire from the case, in which case the application need not be verified.

72. The Deputy Registrar shall endorse the date of receipt on all Vakalatnamas and Mukhtarnamas in all cases in the High Court in its Appellate Jurisdiction.

73. The Deputy Registrar shall bring to the notice of the Registrar any wilful neglect on the part of any Advocate or Mukhtar attached to the High Court to attend at his office.

74. In every civil matter in which the Court directs an order to be issued immediately, the Bench Clerk shall at once draw up the order in the prescribed form [*see* Form No. 5 (Civil) of Appendix I] and after obtaining the signature of the Judges thereto, send it forthwith to the Deputy Registrar or the officer in charge of the Judicial Department as the case may be, for issue without waiting for the formal order or the judgment to be signed. The Deputy Registrar or the Officer in charge of the Judicial Department shall issue the order upon payment of such fee as may be chargeable:

Provided that if it is not possible to obtain the signature or signatures of the Judge or Judges on the day on which the order is passed, the matter should be brought immediately to the notice of the Registrar. If one Judge of a Bench has signed the order, the substance of it shall be communicated to the Lower Court, immediately, with a note that the copy of the order proper will follow.

75. The Stamp Reporter shall bring to the notice of the Deputy Registrar any irregularity committed by the Lower Courts in the preparation and endorsement of certified copies of the decrees of their Courts, and the Deputy Registrar shall submit his report of such irregularity to the Registrar.

CHAPTER VI.

Appeals to the Privy Council.

1. The provisions of Chapter IV shall apply, so far as may be, to petitions under Order XLV, rule 2, Civil Procedure Code.

2. Matters connected with appeals to His Majesty in Council, other than those with which the Registrar is authorised to deal, shall ordinarily be heard at such time as the Division Court appointed to deal with such matters shall fix.

3. Matters relating to (1) service of notices or other processes; (2) substitution of parties and appointment or discharge of next friends or guardians *ad litem* of minors or persons of unsound mind, before the admission of an appeal; (3) preparation of paper-books; (4) return of documents, and (5) matters not expressly required to be laid before the Division Court for orders, shall be dealt with and disposed of by the Registrar.

4. Applications for an order (1) to transmit Orders in Council for execution to the lower courts, where no special directions are required; (2) to transmit securities to the mufassal courts for investigation as to their sufficiency; and (3) for refunds of surplus deposits made for the purpose of preparing translations, manuscripts, etc., may, in ordinary circumstances, be made to, and disposed of, by the Registrar without notice to the opposite party other than inclusion in the daily cause list.

5. In all other applications regarding matters connected with appeals to His Majesty in Council, including petitions for leave to appeal, notice under rule 6 of this chapter is necessary, in addition to any other notice herein prescribed.

6. Notice of an application under the preceding rule shall be given by the applicant or his advocate by delivering to the proper person (ordinarily the advocate for the

appearing opposite party) a copy of the petition, together with a notice, in the following form :—

"Take notice that this application will be filed with the proper officer of the Court, and that you are required to attend and show cause against the application at the hearing, if you desire to do so."

7. All applications which have been duly filed with the clerk-in-charge of Privy Council Appeals will be set down in a list in the order in which they are notified to him. The cases in the list will be called on peremptorily in their turn: and if, by the fault of the applicant, the application cannot be proceeded with, it will be liable to be dismissed.

8. Every petition under Order XLV, rule 2, Civil Procedure Code, shall be presented to the Stamp Reporter. Such petition shall be accompanied by—

(1) a court-fee of Rs. 16 for drawing up an estimate of the expense of preparing and forwarding to the Registrar of the Privy Council the record of the case;

(2) the fee for the issue of the notice of the application for leave to appeal to all the respondents who did not enter appearance in the High Court at the hearing of the appeal;

(3) forms of notices to all respondents duly filled up in the manner prescribed in rule 15; and

(4) certified copies of the judgment and decree complained of.

NOTE.—A petition presented without a copy of the decree appealed from shall forthwith be returned to the Advocate or party presenting it, who shall refile it with the copy wanted, within the period of limitation, and in case it is refiled after the period of limitation, it shall not be accepted without an order of the Division Court.

9. If the Stamp Reporter finds that the petition is barred by limitation he shall forthwith lay the same before the Court for orders. If it is filed within the prescribed period of limitation he shall lay it before the Registrar with a report whether it has been filed in accordance with the rules of the High Court and whether the stamps filed therewith are sufficient.

10. Upon receipt of such petition with the Stamp Reporter's report, the Registrar shall, in case the petition is not in proper form or is not accompanied by the requisite court-fee stamps, fix a period within which the additional fees may be paid or within which the petition may be amended, or lay the same before the Court for orders. If such petition is sufficiently stamped and complies with the provisions of the rules, he shall, upon receipt of such petition, direct notice to be served on the opposite party to show cause why the certificate should not be granted.

11. Where more than one such application is made by the same party at the same time relating to decrees or final orders made in pursuance of the same judgment and only one record is required to be printed, the Registrar may order that only one court-fee of Rs. 16 be paid, or that one certified copy of the judgment be accepted, or may refer the matter to the Court for orders.

12. As soon as the Registrar has directed notice to be served under rule 10 of this chapter, the clerk-in-charge of Privy Council Appeals shall forthwith proceed to issue notice of the application for leave to appeal to all the respondents who did not appear at the hearing of the appeal before the High Court. He shall also serve notices of the application for leave to appeal on the advocates for the respondents who appeared at the hearing before the High Court.

13. A notice which it is necessary to serve under these rules (other than notices under rule 6 of this chapter) or under Order XLV, rule 3 or rule 8, Civil Procedure Code, may be served in the manner provided by the Code for the service of notices, or, unless the Court or the Registrar otherwise directs, upon any advocate who appeared for the party to whom notice is to be given in the appeal to this Court, unless the vakalatnama of such advocate has been cancelled with the sanction of the Court. If there is no advocate upon whom notice can be served, then, unless the Registrar shall otherwise direct, the notice must be served upon the party in Calcutta through the Sheriff, or in the mufassal through the proper court in the district in which such notice is to be served, on paying the usual fee. The fee for the issue of the notice must be paid into Court at the time of filing the application. Such payment is to be made by stamp affixed to the notice intended to be served.

14. Nothing in these rules requiring any notice to be served on, or given to, an opposite party or respondent shall be deemed to require any notice to be served on, or given to, the legal representative of any deceased opposite party or deceased respondent in a case where such opposite party or respondent did not appear either at the hearing in the High Court or at any proceedings subsequent to the decree of the High Court:

Provided that notices under sub-rule 2 of rule 3 and rule 8 of Order XLV, Civil Procedure Code, shall be given by affixing the same in some conspicuous place in the court-house of the Judge of the district in which the original suit was brought and by publication in such newspapers as the Court may direct.

Notices under the proviso to this rule may be issued in the manner prescribed to the legal representatives of the deceased respondent or opposite party in question without specifying such legal representative by name.

15. (*1*) With the fee for the issue of the notice the applicant shall also file printed forms of such notice duly filled up in the prescribed form [*see* Form No. 6 (Civil), Appendix I] the date of appearance and the date of the notice being left blank.

(*2*) The information entered in the form must be filled up in the vernacular (or in English if the party to be served is a European British subject or a resident of Calcutta) in a bold, clear and easily legible hand-writing.

(*3*) The date fixed for the hearing of an application will be inserted in the form and the notice will be dated by the clerk-in-charge of Privy Council Appeals, before it is signed by the Deputy Registrar.

(*4*) The necessary number of printed forms of notice in the prescribed form will be supplied to applicants or their advocates, free of cost, on application to the Forms Clerk.

(*5*) The Registrar may, in his discretion, direct in any particular case that the forms of notice be entirely filled up in the office of the Court.

16. The date fixed for the hearing of the application shall be regulated by the time-table prescribed in rule 46, chapter V.

17. As soon as it shall appear that the notices of the application for leave to appeal have been duly served on all the respondents, the clerk-in-charge of Privy Council Appeals shall lay the application for leave to appeal before the Division Court for orders under Order XLV, rule 3 (*1*), Civil Procedure Code.

18. On the receipt of a report from the court of first instance under Order XLV, rule 5, Civil Procedure Code, as to the amount or value of the subject-matter of the suit and of the proposed appeal, notice shall forthwith be given to the applicant and to the appearing respondents, and any party objecting to the report shall, within seven days from the date of the notice, file his objections, if any, and also serve a copy thereof on the other side. The case shall thereupon be laid before the Court for orders without delay.

19. Immediately after the grant of the certificate, the clerk-in-charge shall call for the transmission, ordinarily within seven days, of the record and all material papers.

20. The advocates for the parties shall be notified of the arrival of such record as soon as it is received in the office of the Court.

21. Whenever it shall be impossible for the lower court to comply with the requisition within the time stated, such Court shall report the reason of its inability, and shall ask for such further time as may be necessary.

22. (*1*) Immediately after the grant of a certificate for leave to appeal, the clerk-in-charge shall prepare and serve on the applicant an estimate with reference to (*a*) Parts I and II of the paper-book used in the appeal to the High Court; and (*b*) the papers required to be added under rule 25, *post*, excluding item (7) of the latter rule. The amount due on such estimate shall be deposited within the time limited by Order XLV, rule 7 of the Code of Civil Procedure.

(*2*) If the application is for leave to appeal from the judgment of the High Court in an appeal other than an appeal from an original decree or order, the applicant shall deposit a lump sum of Rs. 400 within the time limited by Order XLV, rule 7, on account of the cost of the

preparation of complete Parts I and II of the paper-book. The estimates in such cases will be prepared and served as soon as possible after the receipt of the records and the filing of lists by the parties, but the said deposit of Rs. 400 shall be made within the prescribed time irrespective of the service of estimates.

23. (*1*) If the appellant desires to include in Parts I or II of the paper-book used at the hearing of the appeal in the High Court any papers on which the decision of the appeal to the Privy Council depends, and which have not already been included in the paper-book; or to exclude therefrom any papers on the ground that they are irrelevant to the subject-matter of the appeal to the Privy Council, he shall within one week from the date of service upon him of the notice under rule 20, apply to the Registrar for an order accordingly, and file with his application a complete list of the papers to be included in, or excluded from, the printed paper-book; and he shall, at the same time, serve copies of his application and list on the appearing respondents.

(*2*) Within one week from the date of the receipt by them of copies of the application and list mentioned in clause (*1*), the appearing respondents shall, if they so desire, file a similar application and list and simultaneously serve copies thereof on the appellant.

(*3*) (*a*) In the case of applications for leave to appeal from the judgment of the High Court in an appeal other than an appeal from an original decree or order the appellant shall file a complete list of the papers which he wishes to include in Parts I and II of the paper-book with the clerk-in-charge within two weeks of the service of notice under rule 20, and shall simultaneously serve a copy thereof on the appearing respondents who shall thereupon prepare and file their lists with the clerk-in-charge within one week of the receipt of the appellant's list and simultaneously serve copies thereof on the appellant.

(*b*) If any party considers that any paper, or portion thereof, should be included in, or omitted from, the lists, he may within one week from the receipt of a copy of the list of the other side, and after giving notice to the other side of his intended application, apply to the Registrar for an order that such paper, or portion thereof, should be inserted in the paper-book, or be omitted therefrom.

(4) It shall be competent to the Registrar to pass any orders which, with reference to the said applications, he may consider proper, and any costs incurred on this account shall be borne in such manner as the Registrar may direct: Provided that if the Registrar is unable to arrive at any conclusion as to whether a document should be included or not, and as to which party should bear the cost of inclusion of any document, he may make a note, which will form part of the paper-book, to that effect. Such applications shall bear a certificate under the hand of the advocate presenting them to the effect that the inclusion of the papers specified in their respective lists is necessary in order to the decision of the appeal, or that the papers are irrelevant and should be excluded from the printed record required for the Privy Council.

24. Parts I and II of the paper-book shall contain brief marginal notes, but shall otherwise be prepared in accordance with the provisions of Chapter IX of these Rules.

Each part shall have a complete index of all the papers included in it; and all the documents omitted from the transcript shall be enumerated in a type-written list to be transmitted with the record.

NOTE 1.—Each document shall have a marginal note which shall be repeated on each page over which the document extends, viz.—

(b) The marginal note of the Exhibits shall then appear consisting of the exhibit mark and the description of the document in the Index, with the date.

(7) any document not already included in Part I on which the decision of the appeal depends.

The additional documents should be printed strictly in chronological order and should be paged at the foot of each page in continuation of the previous paging of Part I, and shall contain brief marginal notes.

The parties shall agree to the omission of formal and irrelevant documents, but the description of the documents may appear (both in the Index and in the Record), if desired, with the words "not printed" against it.

NOTE.—The security deposited in cash may be subsequently converted into Government securities and *vice versa*, under the orders of the Registrar to be obtained on an application duly stamped.

34. When, in the special circumstances of the case, the Court allows immovable property to be accepted as security, the party finding the security shall file a mortgage bond, duly registered, together with a specification of the title to the property. Such bond shall be filed within the time limited by Order XLV, rule 7 of the Code of Civil Procedure. When such bond has been filed, the Registrar shall, if the property be situate in Calcutta, refer the matter to the Registrar on the Original Side for the security to be tested; if in the mufassal, by the Judge of the district in which the immovable property offered as security is situate.

All such objections will be disposed of at the next sitting but one of the Division Court after the arrival of the report.

(*b*) A copy of the certificate will then be taken by the party in the usual way.

46. The Registrar shall periodically, and at short intervals, place in the Court's list all appeals which are in arrears and call on the appellants to show cause before the Court why the appeals should not be dismissed for want of prosecution.

APPENDIX I TO CHAPTER VI.

AT THE COURT AT BUCKINGHAM PALACE, THE 9TH DAY OF FEBRUARY, 1920.

Present:

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by an Act passed in the 4th year of the reign of His Majesty King William IV, entitled "An Act for the better Administration of Justice in His Majesty's Privy Council," it is, amongst other things, enacted that it shall be lawful for His Majesty in Council from time to time to make any such Rules and Orders as may be thought fit for regulating the mode, form and time of Appeal to be made from the decisions of any Courts of Judicature in India (from the decisions of which an Appeal lies to His Majesty in Council), and in like manner from time to time to make such other Regulations for the preventing delays in the making or hearing such Appeals and as to the expenses attending the said Appeals and as to the amount or value of property in respect of which any such Appeal may be made:

AND WHEREAS Her Majesty Queen Victoria did by Her Order in Council of the 10th day of April, 1838, approve certain Rules and Orders for regulating the mode, form and time of Appeal from the decisions of the said Courts and also certain Regulations for the preventing delays in the making or hearing such Appeals and as to the expenses attending such Appeals and as to the amount or value of property in respect of which any such Appeal may be made.

AND WHEREAS the King's Most Excellent Majesty in Council hath deemed it expedient to rescind all the said Rules, Orders and Regulations and to substitute others in lieu thereof:

His Majesty is, therefore, pleased, by and with the advice of His Privy Council, to rescind all the said Rules, Orders and Regulations in the said Order in Council of the 10th day of April, 1838, contained, and to approve of the several Rules, Orders and Regulations contained in the Schedule hereto, and to order, as it is hereby ordered, that the same be respectively observed by all Courts of Judicature in India and by all persons whom it shall or may concern.

Whereof the Governor-General of India in Council, and all other persons whom it may concern, are to take notice and govern themselves accordingly.

ALMERIC FITZROY.

The Schedule above referred to.

1. Applications to the Court for leave to appeal to His Majesty in Council shall be made within 90 days of the Decree or Order to be appealed from, subject to the provisions of sections 4, 5 and 12 of the Indian Limitation Act, 1908.

2. The preparation of the Record shall be subject to the supervision of the Court, and the parties may submit any disputed question arising in connection therewith to the decision of the Court, and the Court shall give such directions thereon as the justice of the case may require.

3. The Registrar, as well as the parties and their legal Agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal), that are not relevant to the subject-matter of the Appeal, and, generally, to reduce the bulk of the Record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be copied or printed shall be enumerated in a manuscript list to be transmitted with the Record.

4. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, and the Court allows the document to be included, the Record, as printed (whether in India or in England) shall, with a view to the subsequent adjustment of the costs of, and incidental to, such document, indicate in the index of papers or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.

5. Where the Record is printed in India, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council 40 copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal, if any, of the Court.

6. Where the Record is to be printed in England, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by, or on behalf of, the parties to the Appeal.

7. Where there are two or more Appeals arising out of the same matter, and the Court is of opinion that it would be for the convenience of the Lords of the Judicial Committee and all parties concerned that the Appeals should be consolidated, the Court may direct the Appeals to be consolidated.

8. An Appellant who has obtained a certificate for the admission of an Appeal may, at any time prior to the making of an Order admitting the Appeal, withdraw the Appeal on such terms as to costs and otherwise as the Court may direct.

9. Where an Appellant, having obtained a certificate for the admission of an Appeal, fails to furnish the security or make the deposit required (or apply with due diligence to the Court for an Order admitting the Appeal), the Court may, on its own motion or on an application in that behalf made by the Respondent, cancel the certificate for the admission of the Appeal, and may

give such directions as to the cost of the Appeal and the security entered into by the Appellant as the Court shall think fit, or make such further or other Order in the premises as, in the opinion of the Court, the justice of the case requires.

10. An Appellant whose appeal has been admitted shall prosecute his Appeal in accordance with the Rules for the time being regulating the general practice and procedure in Appeals to His Majesty in Council.

11. Where an Appellant, whose Appeal has been admitted, desires, prior to the despatch of the Record to England, to withdraw his Appeal, the Court may, upon an application in that behalf made by the Appellant, grant him a certificate to the effect that the Appeal has been withdrawn, and the Appeal shall thereupon be deemed, as from the date of such certificate, to stand dismissed without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

12. Where an Appellant, whose Appeal has been admitted, fails to show due diligence in taking all necessary steps in connection with the preparation of the Record, the Court may, either on its own motion or on the application of the Respondent, call upon the Appellant to show cause why a certificate should not be issued that the Appeal has not been effectually prosecuted by the Appellant, and if the Court sees fit to issue such a certificate, the Appeal shall be deemed, as from the date of such certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

13. Where at any time between the admission of an Appeal and the despatch of the record to England, the Record becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, notwithstanding the admission of the Appeal, on an application in that behalf made by any person interested, grant a certificate showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died, or undergone a change of status, and the name of such person shall thereupon be deemed to be so substituted or entered on the Record as aforesaid without express Order of His Majesty in Council. If, in the opinion of the Court, there has been undue delay in making this application, the Court may order the Appellant, or the party interested, to take all necessary steps to perfect the Record within such time as the Court may direct, and, if he fails to comply with such Order, the Court may call upon him to show cause why a certificate should not be issued that the Appeal has not been effectually prosecuted, and if the Court sees fit to issue such a certificate, the Appeal shall be deemed, as from the date of such certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

14. When the Record subsequently to its despatch to England becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, upon an application in that behalf made by any person interested, cause a certificate to be transmitted to the Registrar of the Privy Council, showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died, or undergone a change of status. If in the opinion of the Court, there has been undue delay in making this application, the Court may order the Appellant, or the party interested, to take all necessary steps to perfect the Record within such time as the Court may direct, and, if he fails to comply with such order, the Court shall report the matter to the Registrar of the Privy Council.

15. These Rules shall come into operation on the 1st day of January, 1921, or on such other date as the Governor-General of India in Council may determine.

A Petition for special leave to appeal to His Majesty in Council shall state succinctly and clearly all such facts as it may be necessary to state in order to enable the Judicial Committee to advise His Majesty whether such leave ought to be granted, and shall be signed by the counsel who attends at the hearing or by the party himself if he appears in person. The petition shall deal with the merits of the case only so far as is necessary for the purpose of explaining and supporting the particular grounds upon which special leave to appeal is sought.

4. The Petitioner shall lodge at least five copies of his Petition for special leave to appeal together with the Affidavit in support thereof prescribed by Rule 50 hereinafter contained, and, unless a Caveat as prescribed by Rule 48 has been lodged by the other parties who appeared in the Court below, an Affidavit of service of notice of the intended application upon such parties or their Solicitors or Agents, either abroad or in England.

5. A Petition for special leave to appeal may be lodged at any time after the date of the judgment sought to be appealed from, but the Petitioner shall, in every case, lodge his Petition with the least possible delay.

6. Where the Judicial Committee agree to advise His Majesty to grant special leave to appeal, they shall, in their Report, specify the amount of the security for costs (if any) to be lodged by the Petitioner, and shall, unless the circumstances of a particular case render such a course unnecessary, provide for the transmission of the record by the Registrar to the Registrar of the Privy Council and for such further matters as the justice of the case may require. Unless otherwise ordered the security shall be lodged at any time before the Appellant enters an Appearance.

7. Save as by the four last preceding Rules otherwise provided, the provisions of Rules 47 to 50 and 52 to 59 (all inclusive) hereinafter contained shall apply *mutatis mutandis* to Petitions for special leave to appeal.

8. Rules 3 to 7 (both inclusive) shall apply *mutatis mutandis* to Petitions for leave to appeal *in formâ pauperis*, but in addition to the Affidavits referred to in rule 4 every such petition shall be accompanied by an Affidavit from the Petitioner stating that he is not worth £25 in the world excepting his wearing apparel and his interest in the subject-matter of the intended Appeal, and that he is unable to provide sureties, and also by a certificate of Counsel that the Petitioner has reasonable ground of appeal.

9. Where a Petitioner obtains leave to appeal in *formâ pauperis*, he shall not be required to lodge security for the costs of the Respondent or to pay any Council Office fees.

10. A Petitioner whose petition for leave to appeal in *formâ pauperis* is dismissed may, notwithstanding such dismissal, be excused from paying the Council Office fees usually chargeable to a Petitioner in respect of a Petition for leave to appeal, if His Majesty in Council, on the advice of the Judicial Committee, shall think fit so to order.

Record and Appearance by Appellant.

11. As soon as the Appeal has been admitted, whether by an Order of the Court appealed from or by an Order of His Majesty in Council granting special leave to appeal, the Appellant shall without delay take all necessary steps to have the Record transmitted to the Registrar of the Privy Council, and the Registrar shall, with all convenient speed, certify to the Registrar of the Privy Council that the Respondent has received notice, or is otherwise aware, of the Order of the Court appealed from admitting the Appeal, or of the Order of His Majesty in Council giving the Appellant special leave to appeal, and has also received notice, or is otherwise aware, of the despatch of the Record to England. Where an Appellant who has obtained special leave to appeal by an Order of His Majesty in Council fails to have the Record transmitted to the Registrar of the Privy Council with due diligence, the Registrar of the Privy Council shall call upon the Appellant to explain his default, and if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar insufficient, the said Registrar may issue a Summons to the Appellant calling upon him to show cause before the Judicial Committee at a time to be named in the said Summons why the special leave to appeal granted should not be rescinded. The Respondent shall

be entitled to be heard before the Judicial Committee in the matter of the said Summons and to ask for his costs and such other relief as he may be advised. The Judicial Committee may, after considering the matter of the said Summons, recommend to His Majesty to rescind the grant of special leave to appeal or give such other directions therein as the justice of the case may require.

12. The Record shall be printed in accordance with the Rules contained in Schedule A hereto. It may be printed either abroad or in England. When printed abroad the parties in England shall, upon perusal, consider whether the order of the documents is in accordance with these Rules, and if it is not, they shall agree upon the proper order. The Appellant shall then rearrange copies of the Record for the use of the Judicial Committee and the other parties. In the event of the parties being unable to agree, the matter shall be referred to the Registrar of the Privy Council who, if he thinks fit, may require the parties to attend before the Judicial Committee for directions.

13. Where the Record is printed abroad, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council 40 copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal, if any, of the Court appealed from.

14. Where the Record is to be printed in England, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by or on behalf of the parties to the Appeal.

15. Where part of the Record is printed abroad and part is to be printed in England, Rules 13 and 14 shall, as far as practicable, apply to such parts as are printed abroad and such as are to be printed in England respectively.

16. The reasons given by the Judge, or any of the Judges, for or against any judgment pronounced in the course of the proceedings out of which the Appeal arises, shall by such Judge or Judges be communicated in writing to the Registrar and shall be included in the Record.

17. The Registrar, as well as the parties and their Agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the Appeal, and, generally, to reduce the bulk of the Record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be printed or copied shall be enumerated in a type-written list to be transmitted with the Record.

18. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, the Record, as finally printed (whether abroad or in England), shall, with a view to the subsequent adjustment of the costs of and incidental to such document,

indicate, in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.

19. As soon as the Record is received in the Registry of the Privy Council, it shall be registered in the said Registry, with the date of arrival, the names of the parties, and the description whether "printed" or "written." A Record, or any part of a Record, not printed in accordance with the rules contained in Schedule A hereto shall be treated as written. Appeals shall be numbered consecutively in each year in the order in which the Records are received in the said Registry.

20. The parties shall be entitled to inspect the Record and to extract all necessary particulars therefrom for the purpose of entering an Appearance.

21. The Appellant shall enter an Appearance before taking any steps in the prosecution of the Appeal, and after entering such Appearance, shall forthwith give notice thereof to the Respondent, if the latter has entered an Appearance.

22. Where the Record arrives in England either wholly written, or partly written and partly printed, the Appellant shall, within a period of four months from the date of such arrival in the case of Appeals from Courts situate in any of the countries or places named in Schedule B hereto, and within a period of two months from the same date in the case of Appeals from any other Courts, enter an Appearance and bespeak a type-written copy of the Record, or of such parts thereof as it may be necessary to have copied, and shall engage to pay the cost of preparing such copy at the following rates per folio typed (exclusive of tabular matter) —2*d.* per folio of English matter, 2½*d.* per folio of Indian matter, and 3½*d.* per folio of foreign matter; and shall also engage to pay at such price as shall be fixed by the Registrar of the Privy Council the cost of printing at least 50 copies thereof.

23. As soon as the Appellant has obtained the type-written copy of the Record bespoken by him, he shall proceed, with due diligence, to arrange the documents in suitable order, to check the index, to insert the marginal notes and check the same with the index, and generally, to do whatever may be required for the purpose of preparing the copy for the printer in accordance with the Rules contained in Schedule A hereto, and shall, if the Respondent has entered an Appearance, submit the copy, as prepared for the Printer, to the Respondent for his approval. In the event of the parties being unable to agree, the matter shall be referred to the Registrar of the Privy Council who, if he thinks fit, may require the parties to attend before the Judicial Committee for directions.

24. As soon as the type-written copy of the Record is ready for the printer, the Appellant shall lodge it in the Registry of the Privy Council for printing by a printer selected by the Registrar of the Privy Council, and at the same time shall lodge the amount of the estimated cost of printing the Record.

25. Whenever it shall be found that the decision of a matter on appeal is likely to turn exclusively on a question of law, the parties, with the sanction of the Registrar of the Privy Council,

may submit such question of law to the Judicial Committee in the form of a Special Case, and print such parts only of the Record as may be necessary for the discussion of the same: Provided that nothing herein contained shall in any way prevent the Judicial Committee from ordering the full discussion of the whole case, if they shall so think fit, and that, in order to promote such arrangements and simplification of the matter in dispute, the said Registrar may call the parties before him, and having heard them, and examined the Record, may report to the Judicial Committee as to the nature of the proceedings.

26. The Registrar of the Privy Council shall, as soon as the proof prints of the Record are ready, give notice to all parties who have entered an Appearance requesting them to attend at the Registry of the Privy Council at a time to be named in such notice in order to examine the said proof prints and compare the same with the certified Record, and shall, for that purpose, furnish each of the said parties with one proof print. After the examination has been completed, the Appellant shall, without delay, lodge his proof print, duly corrected and (so far as necessary) approved by the Respondent, and the Registrar of the Privy Council shall thereupon cause the copies of the Record to be struck off from such proof print.

27. Each party who has entered an Appearance shall be entitled to receive, for his own use, six copies of the Record.

28. Subject to any special direction from the Judicial Committee to the contrary, the costs of, and incidental to, the printing of the Record shall form part of the costs of the Appeal, but the costs of, and incidental to, the printing of any document objected to by one party, in accordance with Rule 18, shall, if such document is found on the taxation of costs to be unnecessary or irrelevant, be disallowed to, or borne by, the party insisting on including the same in the Record.

Petition of Appeal.

29. The Appellant shall lodge his Petition of Appeal—

(*a*) Where the Record arrives in England printed, within a period of four months from the date of such arrival in the case of Appeals from Courts situate in any of the countries or places named in Schedule B hereto, and within a period of two months from the same date in the case of Appeals from any other Courts;

(*b*) Where the Record arrives in England written, within a period of one month from, but not before, the date of the completion of the printing thereof:

Provided that nothing in this Rule contained shall preclude the Appellant from lodging his Petition of Appeal prior to the arrival of the Record, or the completion of the printing thereof, if there are special reasons why, in the opinion of the Registrar of the Privy Council, it should be desirable for him to do so.

30. The Petition of Appeal shall be lodged in the form prescribed by Rule 47 hereinafter contained. It shall recite succinctly and, as far as possible, in chronological order, the

principal steps in the proceedings leading up to the Appeal from the commencement thereof down to the admission of the Appeal, but shall not contain argumentative matter or travel into the merits of the case.

31. The Appellant shall, after lodging his Petition of Appeal, serve a copy thereof without delay on the Respondent, as soon as the latter has entered an Appearance, and shall endorse such copy with the date of the lodgment.

Withdrawal of Appeal.

32. Where an Appellant, who has not lodged his Petition of Appeal, desires to withdraw his Appeal, he shall give notice in writing to that effect to the Registrar of the Privy Council, and the said Registrar shall, with all convenient speed after the receipt of such notice, by letter notify the Registrar of the Court appealed from that the Appeal has been withdrawn, and the said Appeal shall thereupon stand dismissed as from the date of the said letter without further Order.

33. Where an Appellant, who has lodged his Petition of Appeal, desires to withdraw his Appeal, he shall present a Petition to that effect to His Majesty in Council. On the hearing of any such Petition a Respondent who has entered an Appearance in the Appeal shall, subject to any agreement between him and the Appellant to the contrary, be entitled to apply to the Judicial Committee for his costs, but where the Respondent has not entered an Appearance, or, having entered an Appearance, consents in writing to the prayer of the Petition, the Petition may, if the Judicial Committee think fit, be disposed of in the same way *mutatis mutandis* as a Consent Petition under the provisions of Rule 56 hereinafter contained.

Non-prosecution of Appeal.

34. Where an Appellant takes no step in prosecution of his Appeal within a period of four months from the date of the arrival of the Record in England in the case of an Appeal from a Court situate in any of the countries or places named in Schedule B hereto, or within a period of two months from the same date in the case of an Appeal from any other Court, the Registrar of the Privy Council shall, with all convenient speed, by letter notify the Registrar of the Court appealed from that the Appeal has not been prosecuted, and the Appeal shall thereupon stand dismissed for non-prosecution as from the date of the said letter without further Order, and a copy of the said letter shall be sent by the Registrar of the Privy Council to any Respondent who has entered an Appearance in the Appeal.

35. Where an Appellant who has entered an Appearance—

(*a*) fails to bespeak a copy of a written Record, or of part of a written Record, in accordance with, and within the periods prescribed by rule 22; or

(*b*) having bespoken such copy within the periods prescribed by rule 22, fails thereafter to proceed with due diligence to take all such further steps as may be necessary for the purpose of completing the printing of the said record; or

(*c*) fails to lodge his Petition of Appeal within the periods respectively prescribed by Rule 29;

the Registrar of the Privy Council shall call upon the Appellant to explain his default, and, if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar shall, with all convenient speed, by letter notify the Registrar of the Court appealed from that the Appeal has not been effectually prosecuted, and the Appeal shall thereupon stand dismissed for non-prosecution as from the date of the said letter without further Order, and a copy of the said letter shall be sent by the Registrar of the Privy Council to all the parties who have entered an Appearance in the Appeal.

36. Where an Appellant, who has lodged his Petition of Appeal, fails thereafter to prosecute his Appeal with due diligence, the Registrar of the Privy Council shall call upon him to explain his default, and, if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar shall issue a Summons to the Appellant calling upon him to show cause before the Judicial Committee at a time to be named in the said Summons why the Appeal should not be dismissed for non-prosecution: Provided that no such Summons shall be issued by the said Registrar before the expiration of one year from the date of the arrival of the Record in England. If the respondent has entered an Appearance in the Appeal, the Registrar of the Privy Council shall send him a copy of the said Summons, and the Respondent shall be entitled to be heard before the Judicial Committee in the matter of the said Summons at the time named and to ask for his costs and such other relief as he may be advised. The Judicial Committee may, after considering the matter of the said Summons, recommend to His Majesty the dismissal of the Appeal for non-prosecution, or give such other directions therein as the justice of the case may require.

37. An Appellant whose Appeal has been dismissed for non-prosecution may present a Petition to His Majesty in Council praying that his Appeal may be restored.

Appearance by Respondent.

38. The Respondent may enter an Appearance at any time between the arrival of the Record and the hearing of the appeal, but if he unduly delays entering an Appearance he shall bear, or be disallowed, the costs occasioned by such delay, unless the Judicial Committee otherwise direct.

39. The Respondent shall forthwith after entering an Appearance give notice thereof to the Appellant, if the latter has entered an Appearance.

40. Where there are two or more Respondents, and only one, or some, of them enter an Appearance, the Appearance Form shall set out the names of the appearing Respondents.

41. Two or more Respondents may, at their own risk as to costs, enter separate Appearances in the same Appeal.

42. A Respondent who has not entered an Appearance shall not be entitled to receive any notices relating to the Appeal from the Registrar of the Privy Council, nor be allowed to lodge a Case in the Appeal.

43. Where a Respondent fails to enter an Appearance in an Appeal, the following Rules shall, subject to any special Order of the Judicial Committee to the contrary, apply:—

(*a*) If the non-appearing Respondent was a Respondent at the time when the Appeal was admitted, whether by the Order of the Court appealed from or by an Order of His Majesty in Council giving the Appellant special leave to appeal, and it appears from the terms of the said Order, or Order in Council, or otherwise from the Record, or from a Certificate of the Registrar of the Court appealed from, that the said non-appearing Respondent has received notice, or was otherwise aware, of the Order of the Court appealed from admitting the Appeal, or of the Order of His Majesty in Council giving the Appellant special have to appeal, and has also received notice or was otherwise aware, of the despatch of the Record to England, the Appeal may, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the said non-appearing Respondent at any time after the expiration of three months from the date of the lodging of the Petition of Appeal;

(*b*) If the non-appearing Respondent was made a Respondent by an Order of His Majesty in Council subsequently to the admission of the Appeal, and it appears from the Record, or from a Supplementary Record, or from a Certificate of the Registrar of the Court appealed from, that the said non-appearing Respondent has received notice, or was otherwise aware, of any intended application to bring him on the Record as a Respondent, the Appeal may, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the said non-appearing Respondent at any time after the expiration of three months from the date on which he shall have been served with a copy of His Majesty's Order in Council bringing him on the Record as a Respondent:

Provided that where it is shown to the satisfaction of the Registrar of the Privy Council, by Affidavit or otherwise, either that an Appellant has made every reasonable endeavour to serve a non-appearing Respondent with the notices mentioned in clauses (*a*) and (*b*) respectively and has failed to effect such service, or that it is not the intention of the non-appearing Respondent to enter an Appearance to the Appeal, the Appeal may, without further Order in that behalf and at the risk of the Appellant, be proceeded with *ex parte* as against the said non-appearing Respondent.

44. A Respondent who desires to defend an appeal in *forma pauperis* may present a Petition to that effect to His Majesty in Council, which Petition shall be accompanied by an Affidavit from the Petitioner stating that he is not worth £25 in the world excepting his wearing apparel and his interest in the subject-matter of the Appeal,

Petitions generally.

45. All Petitions for orders or directions as to matters of practice or procedure arising after the lodging of the Petition of Appeal and not involving any change in the parties to an Appeal shall be addressed to the Judicial Committee. All other Petitions shall be addressed to His Majesty in Council, but a Petition which is properly addressed to His Majesty in Council may include, as incidental to the relief thereby sought, a prayer for orders or directions as to matters of practice or procedure.

46. Where an Order made by the Judicial Committee does not embody any special terms or include any special directions, it shall not be necessary to draw up such Order, unless the Committee otherwise direct, but a Note thereof shall be made by the Registrar of the Privy Council.

47. All Petitions shall consist of paragraphs numbered consecutively and shall be written, type-written, or lithographed, on brief paper with quarter margin and endorsed with the name of the Court appealed from, the full title and Privy Council number of the Appeal to which the Petition relates or the full title of the Petition (as the case may be), and the name and address of the London Agent (if any) of the Petitioner, but need not be signed, except as provided by Rule 3. Unless the Petition is a Consent Petition within the meaning of Rule 56 at least five copies thereof shall be lodged.

48. Where a Petition is expected to be lodged, or has been lodged, which does not relate to any pending Appeal of which the Record has been registered in the Registry of the Privy Council, any person claiming a right to appear before the Judicial Committee on the hearing of such Petition may lodge a Caveat in the matter thereof, and shall thereupon be entitled to receive from the Registrar of the Privy Council notice of the lodging of the Petition, if at the time of the lodging of the Caveat such Petition has not yet been lodged, and, if and when the Petition has been lodged, to require the Petitioner to serve him with a copy of the Petition, and to furnish him, at his own expense, with copies of any papers lodged by the Petitioner in support of his Petition. The Caveator shall forthwith after lodging his Caveat give notice thereof to the Petitioner if the Petition has been lodged.

49. Where a Petition is lodged in the matter of any pending Appeal of which the Record has been registered in the Registry of the Privy Council, the Petitioner shall serve any party who has entered an Appearance in the Appeal with a copy of such Petition, and the party so served shall thereupon be entitled to require the Petitioner to furnish him, at his own expense, with copies of any papers lodged by the Petitioner in support of his Petition.

50. A Petition not relating to any Appeal of which the Record has been registered in the Registry of the Privy Council, and any other Petition containing allegations of fact which cannot be verified by reference to the registered Record or any certificate or duly authenticated statement of the Court appealed from, shall be supported by Affidavit. Where the Petitioner prosecutes his Petition in person, the said Affidavit shall be sworn by the Petitioner himself and shall state that, to the best of the deponent's

knowledge, information, and belief, the allegations contained in the Petition are true. Where the Petitioner is represented by an Agent, the said Affidavit shall be sworn by such Agent and shall, besides stating that, to the best of the deponent's knowledge, information, and belief, the allegations contained in the Petition are true, show how the deponent obtained his instructions and the information enabling him to present the Petition.

51. A Petition for an Order of Revivor or Substitution shall be accompanied by a certificate or duly authenticated statement from the Court appealed from showing who, in the opinion of the said Court, is the proper person to be substituted, or entered on the Record in place of, or in addition to, a party, who has died or undergone a change of status.

52. The Registrar of the Privy Council may refuse to receive a Petition on the grounds that it discloses no reasonable cause of appeal, or is frivolous, or contains scandalous matter, but the Petitioner may appeal, by way of motion, from such refusal to the Judicial Committee.

53. As soon as a Petition and all necessary documents are lodged the Petition shall thereupon be deemed to be set down.

54. On each day appointed by the Judicial Committee for the hearing of Petitions the Registrar of the Privy Council shall, unless the Committee otherwise direct, put in the paper for hearing all such Petitions as have been set down: Provided that, in the absence of special circumstances of urgency to be shown to the satisfaction of the said Registrar, no Petition, if opposed, shall be put in the paper for hearing before the expiration of ten clear days from the lodging thereof, unless the Opponent consents to the Petition being put in the paper on an earlier day.

55. Subject to the provisions of the next following Rule, the Registrar of the Privy Council shall, as soon as the Judicial Committee have appointed a day for the hearing of a Petition, notify all parties concerned by Summons of the day so appointed.

56. Where the prayer of a Petition is consented to in writing by the opposite party, or where a Petition is of a formal and non-contentious character, the Judicial Committee may, if they think fit, make their Report to His Majesty on such Petition, or make their Order thereon, as the case may be, without requiring the attendance of the parties in the Council Chamber, and the Registrar of the Privy Council shall not in any such case issue the Summons provided for by the last preceding Rule, but shall with all convenient speed after the Committee have made their Report or Order notify the parties that the Report or Order has been made and of the date and nature of such Report or Order.

57. A Petitioner who desires to withdraw his Petition shall give notice in writing to that effect to the Registrar of the Privy Council. Where the Petition is opposed, the Opponent shall, subject to any agreement between the parties to the contrary, be entitled to apply to the Judicial Committee for his costs, but where the Petition is unopposed, or where, in the case of an opposed Petition, the parties have come to an agreement as to the costs of the Petition, the Petition may, if the Judicial Committee think fit, be disposed of in the same way *mutatis mutandis* as a Consent Petition under the provisions of the last preceding Rule.

58. Where a Petitioner unduly delays bringing a Petition to a hearing, the Registrar of the Privy Council shall call upon him to explain the delay, and, if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar may, after notifying all parties interested by Summons of his intention to do so, put the Petition in the paper for hearing on the next following day appointed by the Judicial Committee for the hearing of Petitions for such directions as the Committee may think fit to give thereon.

59. At the hearing of a Petition not more than one Counsel shall be admitted to be heard on a side.

Case.

60. No party to an Appeal shall be entitled to be heard by the Judicial Committee unless he has previously lodged his Case in the Appeal: Provided that where a Respondent, who has entered an Appearance, does not desire to lodge a Case in the Appeal, he may give the Registrar of the Privy Council notice in writing of his intention not to lodge any Case, while reserving his right to address the Judicial Committee on the question of costs.

61. The Case may be printed either abroad or in England, and shall, in either event, be printed in accordance with Rules I to III contained in Schedule A hereto, every tenth line thereof being numbered in the margin, and shall be signed by at least one of the Counsel who attends at the hearing of the Appeal or by the party himself if he conducts his Appeal in person.

62. Each party shall lodge 30 prints of his Case.

63. The Case shall consist of paragraphs numbered consecutively and shall state, as concisely as possible, the circumstances out of which the Appeal arises, the contentions to be urged by the party lodging the same, and the reasons of appeal. References by page and line to the relevant portions of the Record as printed shall, as far as practicable, be printed in the margin, and care shall be taken to avoid, as far as possible, the reprinting in the Case of long extracts from the Record. The Taxing Officer, in taxing the costs of the Appeal, shall, either of his own motion, or at the instance of the opposite party, inquire into any unnecessary prolixity in the Case, and shall disallow the costs occasioned thereby.

64. Two or more Respondents may, at their own risk as to costs, lodge separate Cases in the same Appeal.

65. Each party shall, after lodging his Case, forthwith give notice thereof to the other party.

66. Subject as hereinafter provided, the party who lodges his Case first may, at any time after the expiration of three clear days from the day on which he has given the other party the notice prescribed by the last preceding Rule, serve such other party, if the latter has not in the meantime lodged his Case, with a "Case Notice," requiring him to lodge his Case within one month from the date of the service of the said Case Notice and informing him that, in default of his so doing, the Appeal will be set down for hearing *ex parte* as against him, and if the other party fails to

comply with the said Case Notice, the party who has lodged his Case may, at any time after the expiration of the time limited by the said Case Notice for the lodging of the Case, lodge an Affidavit of Service (which shall set out the terms of the said Case Notice), and the Appeal shall thereupon, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the party in default: Provided that no Case Notice shall be served until after the completion of the printing, or re-arrangement under Rule 12, of the Record, and also that nothing in this Rule contained shall preclude the party in default from lodging his Case, at his own risk as regards costs and otherwise, at any time up to the date of hearing.

67. Subject to the provisions of Rule 43 and of the last preceding Rule, an Appeal shall be set down *ipso facto* as soon as the Cases on both sides are lodged, and the parties shall thereupon exchange Cases by handing one another, either at the Offices of one of the Agents or in the Registry of the Privy Council, ten copies of their respective Cases.

Binding Records, etc.

68. As soon as an Appeal is set down, the Appellant shall attend at the Registry of the Privy Council and obtain ten copies of the Record and Cases to be bound for the use of the Judicial Committee at the hearing. The copies shall be bound in cloth or in half leather with paper sides, and six leaves of blank paper shall be inserted before the Appellant's Case. The front cover shall bear a printed label stating the title and Privy Council number of the Appeal, the contents of the volume, and the names and addresses of the London Agents. The several documents, indicated by incuts, shall be arranged in the following order: (1) Appellant's Case; (2) Respondent's Case; (3) Record (if in more than one part, showing the separate parts by incuts, all parts being paged at the top of the page); (4) Supplemental Record (if any); and the short title and Privy Council number of the Appeal shall also be shown on the back.

69. The Appellant shall lodge the bound copies not less than four clear days before the commencement of the Sittings during which the Appeal is to be heard.

Hearing.

70. The Registrar of the Privy Council shall name a day on or before which Appeals must be set down if they are to be entered in the List of Business for the ensuing Sittings. All Appeals set down on or before the day named shall, subject to any directions from the Committee or to any agreement between the parties to the contrary, be entered in such List of Business and shall, subject to any directions from the Committee to the contrary, be heard in the order in which they are set down.

71. The Registrar of the Privy Council shall, subject to the provisions of Rule 42, notify the parties to each Appeal by Summons, at the earliest possible date, of the day appointed by the Judicial Committee for the hearing of the Appeal, and the parties shall be in readiness to be heard on the day so appointed.

72. At the hearing of an Appeal not more than two Counsel shall be admitted to be heard on a side.

73. In Admiralty Appeals the Judicial Committee may, if they think fit, require the attendance of two Nautical Assessors.

Judgment.

74. Where the Judicial Committee, after hearing an Appeal, decide to reserve their Judgment thereon, the Registrar of the Privy Council shall in due course notify the parties by Summons of the day appointed by the Committee for the delivery of the judgment.

Costs.

75. All Bills of Costs under the Orders of the Judicial Committee on Appeals, Petitions, and other matters, shall be referred to the Registrar of the Privy Council, or such other person as the Judicial Committee may appoint, for taxation, and all such taxations shall be regulated by the Schedule of Fees set forth in Schedule C hereto.

76. The taxation of costs in England shall be limited to costs incurred in England.

77. The Registrar of the Privy Council shall, with all convenient speed after the Judicial Committee have given their decision as to the costs of an Appeal, Petition, or other matter, issue to the party to whom costs have been awarded an Order to tax and a Notice specifying the day and hour appointed by him for taxation. The party receiving such Order to tax and Notice shall, not less than 48 hours before the time appointed for taxation, lodge his Bill of Costs (together with all necessary vouchers for disbursements), and serve the opposite party with a copy of his Bill of Costs and of the Order to tax and Notice.

78. The Taxing Officer may, if he think fit, disallow to any party who fails to lodge his Bill of Costs (together with all necessary vouchers for disbursements) within the time prescribed by the last preceding Rule, or who in any way delays or impedes a taxation, the charges to which such party would otherwise be entitled for drawing his Bill of Costs and attending the taxation.

79. Any party aggrieved by a taxation may appeal from the decision of the Taxing Officer to the Judicial Committee. The Appeal shall be heard by way of motion, and the party appealing shall give three clear days Notice of Motion to the opposite party, and shall also leave a copy of such Notice in the Registry of the Privy Council.

80. The amount allowed by the Taxing Officer on the taxation shall, subject to any appeal from his taxation to the Judicial Committee and subject to any direction from the Committee to the contrary, be inserted, in His Majesty's Order in Council determining the Appeal or Petition.

81. Where the Judicial Committee directs costs to be taxed on the pauper scale, the Taxing Officer shall not allow any fees of Counsel, and shall only award to the Agents out-of-pocket expenses

and a reasonable allowance to cover office expenses, such allowance to be taken at about three-eighths of the usual professional charges in ordinary Appeals. Such pauper scale shall apply to and include the application upon which leave to appeal in *forma pauperis* was granted.

82. Where the Appellant has lodged security for the Respondent's costs of an Appeal in the Registry of the Privy Council, the Registrar of the Privy Council shall deal with such security in accordance with the directions contained in His Majesty's Order in Council determining the Appeal.

Miscellaneous.

83. The Judicial Committee may, for sufficient cause shown, excuse the parties from compliance with any of the requirements of these Rules, and may give such directions in matters of practice and procedure as they shall consider just and expedient. Applications to be excused for compliance with the requirements of any of these Rules shall be addressed in the first instance to the Registrar of the Privy Council, who shall take the instructions of the Committee thereon and communicate the same to the parties. If, in the opinion of the said Registrar, it is desirable that the application should be dealt with by the Committee in open Court, he may direct the party applying to lodge in the Registry of the Privy Council, and to serve the opposite party with, a Notice of Motion returnable before the Committee.

84. Any document lodged in connection with an Appeal, Petition, or other matter pending before His Majesty in Council or the Judicial Committee, may be amended by leave of the Registrar of the Privy Council, but if the said Registrar is of opinion that an application for leave to amend should be dealt with by the Committee in open Court, he may direct the party applying to lodge in the Registry of the Privy Council, and to serve the opposite party with, a Notice of Motion returnable before the Committee.

85. Affidavits relating to any Appeal, Petition or other matter pending before His Majesty in Council or the Judicial Committee may be sworn before the Registrar of the Privy Council.

86. Where a party to an Appeal, Petition, or other matter pending before His Majesty in Council changes his Agent, such party, or the new Agent, shall forthwith give the Registrar of the Privy Council and the outgoing Agent notice in writing of the change, and shall amend the Appearance accordingly. Until such notices are given the former Agent shall be considered the Agent of the party until the final conclusion of the Appeal, Petition, or other matter.

87. Subject to the provisions of any Statute or of any Statutory Rules or Order to the contrary, these rules shall apply to all matters falling within the Appellate Jurisdiction of His Majesty in Council.

88. These Rules may be cited as the Judicial Committee Rules, 1925, and they shall come into operation on the 1st day of January, 1926.

SCHEDULE A.

Rules as to Printing.

I. All Records and other proceedings in Appeals or other matters pending before His Majesty in Council or the Judicial Committee which are required by the above Rules to be printed shall be printed in the form known as Demy Quarto.

II. The size of the paper used shall be such that the sheet, when folded and trimmed, will be 11 inches in height and 8½ inches in width.

III. The type to be used in the text shall be Pica type, but Long Primer shall be used in printing accounts, tabular matter and notes. The number of lines in each page of Pica type shall be 47 or thereabouts, and every tenth line shall be numbered in the margin.

IV. Records shall be arranged in two parts in the same volume, where practicable, *viz.*—

Part I.—The pleadings and proceedings, the transcript of the evidence of the witnesses, the Judgments, Decrees, etc., of the Courts below, down to the Order admitting the Appeal.

Part II.—The exhibits and documents.

V. The Index to Part I shall be in chronological order, and shall be placed at the beginning of the volume.

The Index to Part II shall follow the order of the exhibit mark, and shall be placed immediately after the Index to Part I.

VI. Part I shall be arranged strictly in chronological order, *i.e.*, in the same order as the index.

Part II shall be arranged in the most convenient way for the use of the Judicial Committee, as the circumstances of the case require. The documents shall be printed as far as suitable in chronological order, mixing Plaintiff's and Defendant's documents together when necessary. Each document shall show its exhibit mark, and whether it is a Plaintiff's or Defendant's document (unless this is clear from the exhibit mark) and in all cases documents relating to the same matter, such as—

(*a*) a series of correspondence, or

(*b*) proceedings in a suit other than the one under appeal,

shall be kept together. The order in the Record of the documents in Part II will probably be different from the order of the Index , and the proper page number of each document shall be inserted in the printed Index.

The parties will be responsible for arranging the Record in proper order for the Judicial Committee, and in difficult cases Counsel may be asked to settle it.

VII. The documents in Part I shall be numbered consecutively.

The documents in Part II shall not be numbered, apart from the exhibit mark.

VIII. Each document shall have a heading which shall consist of the number or exhibit mark and the description of the document in the Index, without the date.

IX. Each document shall have a marginal note which shall be repeated on each page over which the document extends, viz. :—

Part I.

(*a*) Where the case has been before more than one Court, the short name of the Court shall first appear. Where the case has been before only one Court, the name of the Court need not appear.

(*b*) The marginal note of the document shall then appear consisting of the number and the description of the documents in the Index, with the date, except in the case of oral evidence.

(c) In the case of the oral evidence, "Plaintiff's evidence" or "Defendant's evidence" shall appear beneath the name of the Court, and then the marginal note consisting of the number in the Index and the witness's name, with "Examination" "cross-examination" or "re-examination," as the case may be.

Part II.

The word "Exhibits" shall first appear.

The marginal note of the exhibit shall then appear consisting of the exhibit mark and the description of the document in the Index with the date.

X. The parties shall agree to the omission of formal and irrelevant documents, but the description of the document may appear (both in the Index and in the Record), if desired, with the words "not printed" against it.

A long series of documents, such as accounts, rent rolls, inventories, etc., shall not be printed in full, unless Counsel so advise, but the parties shall agree to short extracts being printed as specimens.

XI. In cases where maps sent from abroad are of an inconvenient size or unsuitable in character, the Appellant shall, in agreement with the Respondent, prepare in England, from the materials sent from abroad, maps drawn properly to scale and of reasonable size, showing, as far as possible, the claims of the respective parties, in different colours.

References to a Full Bench.

1. Whenever one Division Court shall differ from any other Division Court upon a point of law or usage having the force of law, the case shall be referred for decision by a Full Bench.

2. If the question arise in an Appeal from an Appellate Decree, the Court referring the case shall state the point or points upon which they differ from the decision of a former Division Court and shall refer the Appeal for the final decision of a Full Bench.

3. If the question arise in an Appeal from an Original Decree, the questions of law shall alone be referred, and the Full Bench shall return the case with an expression of its opinion upon the points of law for final adjudication by the Division Court which referred it, and in case of necessity in consequence of the absence of any or either of the referring Judges, for the ultimate decision of another Division Court.

4. If the question arise in any matter coming before a Division Court in the exercise of its Civil Revisional Jurisdiction, the point or points shall be stated as provided in rule 2, and the matter shall be referred for the final decision of a Full Bench.

5. If the question arise in any case coming before a Division Court as a Court of Criminal Appeal, Reference or Revision, the Court referring the case shall state the point or points on which they differ from the decision of a former Division Court, and shall refer the case to a Full Bench for such orders as to such Bench may seem fit.

NOTE.—The judgment of the Court in all Civil and Criminal cases heard by a Full Bench shall be printed and distributed for information to all the Judges of the Court.

CHAPTER VIII.

Appeals under Section 15 of the Letters Patent.

1. The provisions of Chapters IV and V shall apply, so far as may be, to every Appeal under section 15 of the Letters Patent.

2. Every Appeal to the High Court under section 15 of the Letters Patent from a judgment of a Division Court, or a Judge sitting singly, on the Appellate Side of the High Court, shall be presented to the Deputy Registrar, or such other officer as the Registrar may appoint, within 30 days from the date of the judgment appealed from, unless the Court in its discretion, on good cause shown, shall grant further time.

3. The memorandum of appeal shall be drawn up in accordance with the provisions of Order XLI, rule 1, Civil Procedure Code, and shall be subscribed by an Advocate of the Court. It need not be accompanied by a copy of the judgment appealed from. It shall be the duty of the officer to whom the memorandum is presented under rule 2 above to endorse thereon the date of presentation and send the same to the Stamp Reporter, who shall satisfy himself that there is a declaration by the Judge who passed the judgment that the case is a fit one for appeal, and that it is in order and within time.

4. The fee for the issue of notice to the respondents who did not appear in the appeal in which judgment was given shall be paid into Court by the appellant :—

(*a*) in the case of an appeal from the judgment of a Judge sitting singly: within 21 days of the date on which the appeal is registered;

(*b*) in other cases: at the time of presenting the memorandum of appeal.

5. The Appellant at the time of paying the fee prescribed in the preceding rule shall also file printed forms of notices duly filled up in the manner prescribed in Chapter V, Rule 35.

Appellant.	Respondent.	Advocate for Appellant.	Advocate for Respondent.	Particulars of suit.	Date of issue of notice for service on the Respondent.	Date on which the appeal is heard, and date of judgment of the Court.	Nature of the order passed.	Remarks.

7. If the appeal is in order and is within time, the officer to whom the appeal was presented shall cause it to be registered. If the appeal is not in proper form, he shall proceed in the manner provided by Chapter V, rule 10 (*1*).

8. If the process-fee be paid and the notice forms be filed within the period prescribed by rules 4 and 5, the officer in charge of the Judicial Department shall issue the notice of appeal in the prescribed form [*see* Forms Nos. 7 and 8 (Civil) of Appendix I] for service on the respondent, and shall cause the notice to be served on the Advocate, or any one of the Advocates who may have appeared for the respondent in the appeal in which the judgment was given. In any case in which the respondent may not have entered appearance in the appeal in which the judgment was given, the notice shall be served in the mode provided by rules 38 to 47 of Chapter V for the service of notices in ordinary appeals.

9. 10. No charge shall be levied from the parties on account of the preparation of these copies.

11. The paper books prepared for use at the hearing of the original appeal shall be used at the hearing of the Appeal under section 15 of the Letters Patent.

3. Every Paper-book shall have attached to it a fly-leaf in the prescribed form, and giving the particulars required by Rule 42.

4. In urgent cases, upon good cause being shown, the Registrar may allow any party to put in such number of typed copies of the Paper-book as he may consider necessary.

Exception.—In an appeal from original order which is to be heard under Order XLI, Rule 11, Civil Procedure Code, no Paper-book shall be prepared unless and until an order for the service of notice on the respondent has been made.

5. There shall be inserted at the end of one copy of the Paper-book prepared in every case, a statement in form No. 9 (civil), Appendix I in which shall be specified each item of the cost incurred in its preparation by the Appellant, and the Respondent, respectively. A copy of the statement shall be served on the party himself by registered post with acknowledgment due, the cost for the same being included in the estimate and deducted from the Initial Deposit.

6. In the case of Appeals, other than Appeals from Appellate Decrees, any surplus remaining after deducting the costs actually incurred by each party from the amount deposited with the Accountant of the Court, may be refunded upon request to the party by whom the deposit was made, or to the Advocate entitled to act for such party.

7. The costs incurred in the preparation of the Paper-books shall be costs in the Appeal, unless as to the whole or any portion thereof the Court which hears the Appeal shall otherwise direct.

8. No order shall be passed exempting any Appellant or Respondent from the operation of the whole or any part of the Rules of this Chapter, or no special order shall be made as to any matter with which these Rules are concerned, except upon application duly stamped with a Court Fee of Rs. 2, setting forth sufficient grounds.

An application for enlargement of time for the doing of any act required to be done under these Rules shall ordinarily be made before the expiry of the prescribed time:

Provided that, if it is deemed necessary, order may be passed directing an affidavit to be filed in support of the application for extension of time.

NOTE.—In case any affidavit to be used under this Rule is sent from Mufassal, and is in the vernacular, it shall be accompanied by an English translation certified to be correct by an Advocate or a Translator of this Court.

9. When these Rules direct or allow any act to be done by, or any notice to be given to, an Appellant or Respondent, such act may be done by, or such notice given to, the Advocate.

9A. In all Second Appeals not exceeding Rs. 50 in value, all Appeals from Original Orders, all Appeals from Appellate Orders and all Appeals from Orders of Remand under Order XLI, Rule 23 of the Civil Procedure Code, not exceeding Rs. 50 in value, there shall be filed, at the time of filing the appeals, second copies of the memoranda of appeal and of the judgments and orders of lower courts (in the case of Second Appeals and Appeals from Appellate and Remand Orders, copies of the judgments or orders of both the lower courts) for the use of the second Judge of the Bench taking such Appeals. These second copies shall be plain uncertified copies.

NOTE.—Any failure to comply with this rule shall attract the application of Rule 8 of this Chapter.

Part II—Appeals from Original Decrees.

A—General.

10. On receipt of the record from the lower Court it shall be the duty of the Registrar to see that the Paper-book in an appeal from an Original Decree for the use of the High Court at its hearing is prepared in accordance with the directions given in the following Rules:

Provided that the Registrar or the Division Court having jurisdiction over any particular Group may, for sufficient cause shown, pass any special order regarding the preparation of the Paper-book of any particular Appeal belonging to that Group.

11. Part I of the Paper-book shall contain the following papers:—.

(*a*) The plaint;
(*b*) Written statement of parties;
(*c*) Examination of parties or their agents, etc.;
(*d*) Injunctions;
(*e*) Orders of attachment, etc. (if any), obtained before judgment;
(*f*) Issues framed (if any);
(*g*) Depositions of witnesses for plaintiff;
(*h*) Depositions of witnesses for defendant;
(*i*) The judgment and the decree or order from which the appeal is preferred, exclusive of schedules:
(*j*) Memorandum of Appeal.

In this part shall also be included the following papers when their inclusion is necessary for the purpose of the Appeal, provided that the Registrar, may upon application being made to him, direct that any paper or part of a paper shall not be included in this part :—

(*a*) Order-sheet;

(*b*) Schedules (if any);

(*c*) Report of Commissioners (if any) with maps, depositions, etc., annexed;

(*d*) Any other paper, other than an exhibit, on which the decision of the Appeal depends.

Part I shall also contain an Index which shall be drawn up in accordance with the provision of Rule 48 (*ii*).

Part II of the Paper-book shall consist of exhibits.

NOTE (*1*).—No finding or conclusion in the decision appealed from will be permitted to be challenged at the hearing of the Appeal unless the material on which such challenge is based is included in the Paper-book.

NOTE (*2*).—Whenever a map prepared by a settlement or survey authority and issued in printed form is necessary for inclusion in a paper-book, such map being an exhibit in the case, it shall not be necessary to reprint and reproduce such map. It will be sufficient if the requisite number of copies of the map are filed by the party concerned, if such copies can be purchased from the Government or other agents selling the same. Such copies when filed shall be taken as forming part of the Paper-book. If in any case any lines symbols or marks have been drawn inserted or made in the map by any Survey Commissioner appointed by the Lower Court, or by any witness or party or by the Court itself, such lines, symbols or marks being drawn, inserted or made under the authority of the presiding Judge, those lines, symbols or marks shall be reproduced on the copies of the map filed by the party or parties in the appeal.

12. Upon receipt of the records the Officer in charge of the Judicial Department shall serve a notice on the Appellant requiring him to prepare and deliver to such Officer a list of all papers (other than those mentioned in the first paragraph of Rule 11 above) upon which the decision of the Appeal depends and which the Assistant desires to be included in Parts I and II of the Paper-book at his expense. This list shall be called "The Appellant's List" and shall be divided into two parts. Part I shall contain papers other than exhibits and Part II shall contain the exhibits.

13. Such list shall be in form No. 10 (civil) of Appendix I.

Printed copies of the form of this list will be supplied, to the parties or the Advocates entitled to act for them, free of cost, on application to the Forms Clerk.

14. There shall be entered in such list all documents on which the decision of the Appeal depends:

Provided that if it is necessary only to print a portion of any particular document for the decision of the Appeal the relevant portion shall be specified:

Provided also that ordinarily a long series of documents, such as accounts, rent-rolls, etc., shall not be printed in full but the parties, or their legal agents, shall agree to short extracts being printed, if necessary, in tabular form.

15. In Part II of this list the exhibits should retain their original numbers with the proper page numbers attached, the documents should be arranged, as far as suitable, in chronological order, mixing plaintiff's and defendant's documents together, when necessary, but in all cases documents relating to the same series, or to the same subject (*e.g.*, a series of correspondence, or proceedings in a suit other than the one under appeal) should be kept together. A correct and full description of such documents must be given.

16. The Appellant shall, within three weeks after service of the notice required by Rule 12, deliver to the Officer in charge of the Judicial Department his complete list prepared in accordance with the above Rules.

Applications for enlargement of the time allowed under this Rule shall ordinarily be made before the expiry of the prescribed time, shall be duly stamped with a Court Fee of Rs. 2 and shall set forth sufficient grounds in support of the application.

17. On receipt of the list of the papers to be included in Parts I and II of the Paper-book at the expense of the Appellant, the Officer in charge of the Judicial Department shall cause to be prepared estimates of the cost of the preparation of Parts I and II of the Paper-book.

18. As soon as the list is delivered to the Officer in charge of the Judicial Department by the Appellant, the former shall, if the Respondent enters appearance on or before the date mentioned in the notice under Order XLI, Rule 14, Civil Procedure Code, give notice of such delivery to such Respondent. If the Respondent fails to enter appearance on or before the date mentioned in the notice under Order XLI, Rule 14, and if it shall appear that the said notice has been duly served on such Respondent, he shall not, without the leave of the Registrar, obtained upon an application (unstamped) filed simultaneously with the

Vakalatnama explaining the delay in appearing and asking for notice of the Appellant's list, be entitled to file a list of papers for insertion in the Paper-book under Rule 20.

19. Every Respondent, who has entered appearance, shall be entitled to inspect the Appellant's list and, at his own expense, to obtain a copy of the whole or of any portion thereof.

20. Every such Respondent shall, within three weeks after service upon him of the notice required by Rule 18, deliver to the Officer in charge of the Judicial Department a list in duplicate in form No. 11 (civil) of Appendix I, of the papers, other than those inserted in the Appellant's list, and relevant to the subject matter of the Appeal, to which such Respondent desires that reference shall be made by the Court at the hearing of the Appeal and which shall be inserted in the Paper-book at such Respondent's expense. Such list shall be termed "The Respondent's List" and shall be divided into two parts like the Appellant's List (Rule 12).

20A. The Advocates for the Appellant and the Respondent shall at the time of filling their respective Lists, enter in such Lists the names and correct addresses (with Post Office) of the parties on whose behalf the Lists are filed by them.

21. The Officer in charge of the Judicial Department shall within fourteen days after the delivery by the Appellant and the Respondent of their lists, respectively, make and deliver to the Advocate for such Appellant and to the Advocate for such Respondent separate estimates of the cost of preparing their portions of the Paper-book in form Nos. 12 (civil) and 13 (civil), respectively, of Appendix I. Copies of the estimate shall be served on the parties (Appellant and Respondent) themselves by registered post with acknowledgment due, the cost for the same being included in the estimate and deducted from the Initial Deposit.

Every estimate for the cost of the preparation of the Paper-book shall include the cost of transcribing, translating, and printing, etc., the documents mentioned in the first paragraph of Rule 11 above. No revision of the lists filed by the Advocates of either party shall be allowed after the estimates have been prepared and served on the respective Advocates, except under the orders of the Registrar to be

obtained on an application with notice to the other side. The application for revision shall be a verified one but if the revision is agreed to by the opposite party such application for revision need not be verified.

22. The Appellant and Respondent respectively shall deposit with the Accountant of the Court the amount due on the estimates served under Rule 21 within the periods here specified—

(*a*) The amount due for estimating, translating, and examining translations, after (in the case of the Appellant) deducting the amount of the Initial Deposit made under Rule 34(1), Chapter V, within four weeks of the service of the estimate; and

(*b*) The whole of the remainder within eight weeks of the service of the estimate.

23. If the Respondent considers that any paper or portion of a paper which ought to have been inserted in the Appellant's list under the provisions of Rule 14 has been omitted therefrom in violation of these provisions, he may, at the time of filing the Respondent's list as prescribed in Rule 20, and after giving notice to the Appellant of his intended application, apply to the Registrar for an order that such paper or portion of a paper be inserted in the Paper-book of the case at the cost of the Appellant:

Provided that if any such application by a Respondent is disallowed by the Registrar, such Respondent shall be at liberty, at that time, to pray for the inclusion of the papers mentioned in his application, in his list (that is, the Respondent's List) at his own cost:

Provided also that if the Respondent has entered appearance out of time he shall not be permitted to pray for the inclusion in, or exclusion from, the Appellant's list of any papers whatsoever.

24. If one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included and the Registrar allows the document to be included, the Order Book and List shall clearly indicate the fact that, and the party by whom, the inclusion of the document was objected to.

25. The Registrar as well as the parties and their legal agents shall endeavour to exclude from the Paper-book all documents (more particularly such as are merely

formal) that are not relevant to the subject-matter of the Appeal, and generally, to reduce the bulk of the Paper-book, as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents.

NOTE (*1*).—Ordinarily, a long series of documents, such as accounts, rent-rolls, inventories, etc., should not be printed in full; but the parties or their legal agents should agree to short extracts being printed as specimens.

NOTE (*2*).—Documents produced before the Court of first instance, but not admitted in evidence, shall not be included in the Paper-book except under the orders of the Registrar obtained upon an application (unstamped) with notice to the opposite party. An Advocate desiring to refer to any such document at the hearing of the Appeal before the High Court shall, at any time before the hearing, serve on the Advocate for the opposite party a type-written copy, or a typewritten copy of the translation, as the case may be, of any such document to which he desires that reference should be made, and shall also provide two such typewritten copies or typewritten copies of the translation for the use of the Court. If he fails to do so he shall not refer to such document at the hearing and no adjournment of the Appeal will be granted on this account unless the Court otherwise directs.

26. The Appellant's and the Respondent's lists shall each bear a certificate under the hand of the Advocate for such Appellant or Respondent in the following form:—

I, A.B., Advocate for do hereby certify that I have carefully examined this list with reference to the provisions of Rule 25, Chapter IX of the Appellate Side Rules, and declare that in my judgment it is necessary to include in the Paper-book of the Appeal every document, or portion of a document, included in the list in order to arrive at proper decision of the Appeal.

27. If the Respondent does not enter an appearance or does not deliver the list directed by, and within the time prescribed by, Rule 20, and if no order be made under Rule 23, the Paper-book shall be prepared in accordance with the Appellant's list.

28. When two or more Appellants or Respondents have the same interest in the Appeal, one set of list only shall be required from all such Appellants or Respondents Appellants or Respondents having separate interests shall deliver separate sets of lists. In such cases the principle of Rule 32 shall apply.

29. If any of the papers, which must be inserted in the Appellant's List or in the Respondent's List, was previously printed in a former Paper-book, the fact of its having been so printed must be stated in the list in which such paper is inserted. Such papers shall not be printed unless the Registrar otherwise directs:

Provided that it shall be open to the Registrar to direct that the party who refers to papers in a previous Paper-book shall, unless he was the Appellant in the previous case, pay the charge fixed for the sale of Paper-books from the Record Department for the use of the previous Paper-book.

30. No paper in the record of the case, which is not inserted in the Appellant's or Respondent's List, or ordered to be included in the Paper-book under Rule 23, and printed in the Paper-book of the case or in a previous Paper-book, shall be referred to at the hearing of the Appeal without the special leave of the Court. But this rule shall not preclude the Court from referring to any paper to which it considers a reference necessary for the ends of justice.

31. If it subsequently appears that the amount deposited by either party to the Appeal is insufficient to defray the cost of preparing his portion of the Paper-book, or a supplementary Paper-book after remand, the Officer in charge of the Judicial Department shall estimate the additional amount required and shall give notice thereof to such party. Such additional amount shall be deposited by such party with the Accountant of the Court within two weeks after service upon him of such notice. No work in the matter of the preparation of the Paper-book, which is likely to cost more than the sum deposited, should ordinarily be undertaken, until such additional deposit has been made, unless the Registrar shall otherwise direct.

32. When separate Appeals have been preferred by different persons against the same decree, complete lists of the documents which the parties wish to include in the Paper-book shall be delivered by the parties to each Appeal. Common matter shall appear in one Paper-book only, the other Paper-books containing references to the pages of the Paper-book in which such common matter appears. In such cases the Officer in charge of the Judicial Department shall, subject to the order of the Registrar, apportion between the parties concerned the cost of preparation in respect of matter common to all or any of the parties. The estimates for the cost of the preparation of Parts I and II of the Paper-books in such cases shall not be served on the parties until such apportionment has been made. This rule shall also apply when

two or more separate Appeals are preferred in analogous cases.

33. If the Appellant fails to deliver his list of papers in accordance with Rule 16, or if the Appellant or Respondent fails to make the deposit or additional deposit, required by Rules 22 and 31, respectively, the Officer in charge of the Judicial Department shall lay the matter before the Registrar, who may, in case of default by the Appellant, cause the appeeal to be set down for hearing; and the Court may, unless satisfied that there was reasonable ground for the default, direct the Appeal to be dismissed for want of prosecution or may pass such other order as may seem proper in the circumstances of the case.

34. The Appellant shall wihin two weeks of the filing of the Vakalatnama authorising an Advocate to file the Appeal, file with the Officer in charge of the Judicial Department a declaration duly signed by himself stating the name of the Advocate, duly qualified under Rule 35, by whom his Paper-book will be prepared, either in accordance with Rule 45 or with Rule 49, and such declaration shall be noted in the order book of the Appeal. The declaration shall be in the following form:—

In this Appeal I/we,....., Appellant/Appellants, declare that the Paper-book will be prepared by Mr....., an Advocate of this Court, who is duly qualified to prepare Paper-books under Rule 35, Chapter IX of the Appellate Side Rules.

The Officer in charge of the Judicial Department shall thereupon make over to the Advocate so named the duplicate copy of the Respondent's list filed under Rule 20, giving the Respondent notice thereof.

35. Any Advocate who has practised in the High Court for a period of three years, or who has practised in a Muffasal Court for not less than three years and in the High Court for not less than one year, shall be entitled to prepare a Paper-book under these rules.

Provided that a Division Court, on being satisfied, either on the report of the Registrar or otherwise, that any Advocate has been negligent, incompetent, or careless in the preparation of a Paper-book, may disqualify such Advocate from preparing Paper-books for such period as to it may seem proper.

36. An Advocate duly authorised to prepare a Paper-book shall be required to make a declaration in writing simultaneously with the deposit under Rule 22(*a*) to the effect that he will himself do the translation work and, in the case of an Appeal valued under Rs. 10,000, a declaration to the effect that he will himself also do the editing. The declaration shall be in the following form :—

In the above Appeal I..... have been authorised by the Appellant under Rule 34 to prepare the Paper-book in this case I being eligible under Rule 35 to do so declare under Rule 36, Chapter IX of the Appellate Side Rules, that I shall myself do the translation work (and the editing work)*.

37. (*a*) An Advocate authorised under Rule 34, who has filed a declaration under Rule 36, shall be afforded all reasonable access to the original record in order to enable him to make transcripts of the papers and do other acts necessary to the preparation of the Paper-book, but he shall not be entitled to remove such original record from the Court's office. Certified transcripts of the papers shall be furnished to him, if he so desires, upon payment of the usual rates.

(*b*) Such Advocate shall himself deal with the original records made over to him, and is hereby prohibited from entrusting them to the care of any other person. For the purpose of translating and copying documents in any case, he alone will be permitted to have access to the original record of such case.

(*c*) Such Advocate shall be permitted to utilize the services of one reader or Muharrir to assist him in such work. He must however himself be present and continuously in possession of the records, and on his leaving the office, the records must be returned to the Officer of the Court in charge, and the work of preparing the Paper-book must at once cease, the reader or Muharrir leaving with his employer.

(*d*) In the case of any Paper-book in which a map has to be inserted such Advocate shall be allowed to utilize also the services of a draftsman, who will be allowed access to the records on the same terms as the reader or Muharrir.

(*e*) The Advocate filing a declaration under Rule 36 shall examine, at the time of filing such declaration, the

lists and estimates prepared for the preparation of the Paper-book and, if he thinks that he requires the assistance of another Advocate or Advocates for the preparation of the Paper-book, shall present a formal application to the Registrar stating the grounds upon which the application is made, and the Registrar may pass a special order after an examination of the actual requirements of the case:

Provided that every additional Advocate allowed shall have already entered appearance on behalf of the Appellant; be eligible under Rule 35; and comply with the provisions of Rule 36.

The provisions of clauses (*a*) to (*d*) of this Rule shall apply to all the Advocates thus employed in the preparation of a Paper-book, and they shall be jointly responsible under the Rules of this Chapter for the proper and punctual preparation of the same.

38. (*a*) The time within which the examination of translations should be completed is as follows:—

(*i*) When the Paper-book is estimated by the Officer in charge of the Judicial Department to consist of not more than 100 pages—two weeks;

(*ii*) When the Paper-book is estimated by the Officer in charge of the Judicial Department to consist of more than 100 pages but not more than 200 pages—three weeks;

(*iii*) In any other case—one month.

(*b*) On the completion of the examination of the translations, but not before, and provided that the translations have been properly done and accepted, the Advocate preparing the Paper-book shall be entitled to withdraw the amount due to him for such translations.

39. (*a*) Translations of the papers shall be submitted for examination within the following limits of time from the date when the deposits required by Rule 22(*a*) above are made:—

In cases exceeding 5,000 but less than 10,000 vernacular words—one month;

In cases exceeding 10,000 vernacular words—two months;

In cases less than 5,000 vernacular words—three weeks.

(*b*) Paper-books in Appeals from Original Decrees must be made ready and filed with the Officer in charge of the Judicial Department within the following limits of time from the date when the deposits required to be made under Rule 22(b) above are made, viz. :—

(*i*) In the case of Paper-books falling within clause (*i*) of Rule 38—two months;

(*ii*) In the case of Paper-books falling within clause (*ii*) of Rule 38—ten weeks;

(*iii*) In the case of Paper-books falling within clause (*iii*) of Rule 38—four months.

(*c*) On the Paper-books being filed, they shall be taxed, and it will be the duty of the Taxing Officer to see that they have been prepared in accordance with these Rules.

(*d*) When the Taxing Officer is satisfied that the Paper-book has been properly prepared, he shall certify accordingly, and upon such certificate being granted but not before, the balance of the amount due to the Advocate concerned shall be paid to him on application : Provided that the Registrar may, in any proper case, pay the printer's fees to the printer.

40. It shall be the duty of the examiners of Translations to report through the Taxing Officer to the Registrar any case in which the translations have been carelessly, negligently, or imperfectly done, and it shall be the duty of the Taxing Officer to report to the Registrar any case in which the preparation of any other portion of the Paper-book has been carelessly, negligently, or imperfectly done. The Registrar, if he thinks fit, will report any such matter to the Court, who may take action under the proviso to Rule 35, and may either in addition to, or without taking such action, direct that the whole or any portion of such funds, as are lying in the Court, to the credit of the account of the Paper-book concerned be withheld from the Advocate in question, and may pass orders for the disposal of the funds so withheld.

41. When a case is ready for hearing, the Officer in charge of the Judicial Department shall furnish the Advocates engaged on either side with the copies to which they are entitled under Rule 49 or Rule 53. The issue of the Paper-books to the Advocates will be notice to them that the case is ready for hearing.

42. The endorsement on every Paper-book prepared for the use of the High Court at the hearing of the Appeal shall furnish the following information :—

(*a*) The number of the cause;

(*b*) The name of the Judge of the Court below;

(*c*) The names of the parties and their Advocates;

(*d*) The date of the institution of the suit;

(*e*) The date of the lower Court's judgment;

(*f*) The date on which the Appeal was filed;

(*g*) The date on which the Appeal was decided; and

(*h*) The date on which the decree was signed.

43. In Appeals in which the Respondent shall not have appointed an Advocate up to the date of the preparation of the Paper-book, an Appendix containing the deposition of the serving officer and the return and the remarks of the lower Court as to the service shall be added to the Paper-book either in transcript or translation, according as they may be in English or in the vernacular.

44. The supplementary Paper-book after the receipt of finding of a lower Court in a case referred under Order XLI, Rules 25 and 27, Civil Procedure Code, shall be governed by the Rules of this Chapter.

45. Notwithstanding anything contained in these Rules, the Registrar may, upon application made to him, direct that, in Appeals below Rs. 5,000 in value in which if Parts I and II of the Paper-book were printed, the total number of pages contained in the Paper-book would be 25 or less, 12 typewritten copies of the Paper-book shall be prepared at the cost of the parties. In such cases, the Appellant and the Respondent, if the latter enters appearance, shall be entitled to have, free of charge, as many copies of the Paper-book, not exceeding four on either side, as they may have Advocates engaged in the Appeal. In any case, they shall each be entitled to two copies. Additional copies over and above those which may be supplied to the parties free of charge under this rule shall be charged for.

B—Appeals from Original Decrees valued under Rs. 10,000.

46. (1) Paper-books in Appeals valued under Rs. 10,000 shall be prepared entirely in the office of the Advocate for the Appellant and the Advocate concerned will be free to print his Paper-book in any press he chooses whether such press be on the list referred to in Rule 54 or not, but the Advocate will be responsible to the Court that the Paper-book has been prepared and printed with due care and diligence. Bad work on the part of the press will bring the Advocate concerned within the mischief of the proviso to Rule 35.

(2) The examination of translations shall be done on the fee system by a panel of Examiners formed for the purpose from the practising Advocates of the Court (to be known as the "Below" panel), a list of Advocates forming such panel being maintained in the office of the Court from which the Respondent will select an Examiner for examining the translations made by the Appellant's Advocate.

Provided—

(*a*) That if the Respondent fails to enter appearance by the time the Appellant submits his translation for examination he shall lose his privilege to select the Examiner, and the translation shall be examined by an Examiner from the "Below" panel to be selected by the Registrar;

(*b*) That where it appears to the Registrar that a particular Examiner is overworked and another is under-worked; it shall be open to the Registrar to call for a fresh nomination or to direct that the work be done by some other Advocate on the panel;

(*c*) That if the Advocate for the Respondent is on the panel of Examiners, it shall not be competent for him to nominate himself;

(*d*) That where two or more Advocates appear for one Respondent or set of Respondents and select different Examiners the nomination by any one of such Advocates first received by the office should prevail and that, subject to that condition, the nomination by one of the Advocates appearing for the principal Respondent should have preference over the nomination by the Proforma Respondent.

(3) The Paper-books must be prepared within the period specified in Rule 39 but in calculating the said period the time actually taken in examining the translation shall be deducted.

47. The estimate for the preparation of the Paper-books in such Appeals shall state separately the cost of translating, editing, printing, etc., at the following rates :—

(*a*) Estimating at 10,000 words per rupee;

(*a1*) Estimating charge for maps—12½ per cent. of the cost of tracing the same;

(*a2*) Estimating charge for photographs—12½ per cent. of the cost of producing the negative;

(*b*) Translating at 150 vernacular words per rupee, three figures being counted as one word;

(*c*) Examining translations at 300 vernacular words per rupee, three figures being counted as one word;

(*d*) Copying at the rates specified in Chapter XIII;

(*e*) Editing the Paper-book at eight annas a page, if it is printed, and at five annas a page if it is typed;

(*f*) Lithographing, drawing or tracing maps (where necessary)—actual cost;

(*g*) Printing fee for 24 copies (ordinary matter with marginal notes)—actual cost, not exceeding Re. 1-2 per page; tabular matter—actual cost;

(*h*) Taxing the Paper-book costs at annas two per page.

NOTE (*1*).—The above rates are liable to alteration.

(*2*) The charge for editing includes the charge for Indexing, if the Paper-book is printed, and that for stationery if the Paper-book is typewritten.

(*3*) If the document to be translated is in any language other than the vernacular of Bengal and Assam, the rates prescribed by Rule 8 and the note thereunder in Chapter XII will apply.

(*4*) Each item of cost in the preparation of the Paper-book at the rates specified above should be calculated to the nearest anna (fraction below half an anna being omitted and half an anna or over being reckoned as one anna).

The entire cost estimated as above shall be deposited with the Accountant of the Court and from such deposit the Court's office will keep the undertaking Advocate

supplied with funds to carry on the work of the preparation of the Paper-book. When the Paper-book is finally prepared the cost shall be taxed under the direction of the Registrar.

48. The Paper-books for the use of the High Court in such Appeals shall be printed and edited in accordance with the following directions:—

(*i*) The printed Paper-book shall consist of two parts in the same volume, where practicable, viz., Part I and Part II. Part I shall contain the record of the proceedings in the lower Court, and shall include all the papers mentioned in Rule 11. These should be printed strictly in chronological order, that is, in the same order as the Index. Part II shall contain the exhibits and documents relevant to the subject-matter of the appeal which should be arranged in the manner prescribed in Rule 15, each document to show its exhibit mark and whether it is a plaintiff's or defendant's document (unless this is clear from the exhibit mark). Each Part should be paged at the foot of each page. The heading to each document should consist of the number of exhibit mark and the description of the document in the Index with the date, and the corresponding English date must be given if the document bears any other date.

(*ii*) The Index of Part I shall be in chronological order and shall be placed at the beginning of the volume. Part II shall have two Indices, one in chronological order and the other in order of the exhibit marks. These Indices should be placed immediately after the Index to Part I. The documents in Part I should be numbered consecutively, while those in Part II should not be numbered apart from the exhibit mark. The Index should contain a correct and full description of each document and reference to the pages in the printed Paper-book. Whenever any document included in Part I or II of the Paper-book is dated according to Bengali fashion, the corresponding English date of such document must be entered in the Index.

(*iii*) All papers which are not in English shall be translated into that language. Such translation and the original English papers shall be arranged and printed in Parts I and II in the order prescribed by the first sub-clause of this Rule.

(*iv*) Maps forming part of a Paper-book shall be included in the Index, but shall not be bound up with the other papers in the Paper-book. Such maps shall be drawn or printed on durable paper and they shall form a separate packet with a separate list.

Translations of vernacular phrases or figures that form part of a map must be submitted on a correct tracing of the map in question.

(*v*) Each document shall have a marginal note which is to be repeated on each page over which the document extends, viz. :—

(*a*) The short name of the Court shall first appear,

(*b*) The marginal note of the document shall then appear consisting of the number and description of the document in the Indices with the date except in the case of oral evidence,

(*c*) In the case of oral evidence "plaintiff's evidence" or "defendant's evidence" shall appear beneath the name of the Court and then the marginal note consisting of the number in the Indices and the witness's name with "examination" "cross-examination" or "re-examination" as the case may be.

49. Twenty-four copies of the Paper-book shall ordinarily be printed by the Appellant's Advocate, and filed in the office of the Court. On the application of either party, the Registrar may direct a larger number to be printed. In any case, 10 copies shall be retained for use in the High Court. The service of Paper-books on the parties under Rule 41 will be regulated as follows :—

To the Appellants—Three copies, or one copy for the use of each Advocate who has appeared, whichever is more;

To the Respondents—One copy only for the use of the Advocate or all the Advocates, who has, or have, appeared for each set of Respondents;

Subject to a maximum of seven copies on either side if 24 copies have been printed. If on this basis, less than 14 copies have been distributed between both sides, additional copies up to that number may be supplied for use at the hearing on application to the Officer in charge of the Judicial Department; but the latter should, if possible, retain copies for such of the Respondents who may still enter appearance in the Appeal.

C—Appeals from Original Decrees valued at Rs. 10,000 or over.

50. Paper-books in all Appeals valued at Rs. 10,000 or over shall be prepared entirely in the Court's office subject to the condition that only translations shall be made by the Appellant's Advocate, the examination of such translations being done on the fee system by a separate panel of Examiners (to be known as the "Above" panel) appointed by the Court for this purpose.

Such Paper-books must be prepared within the period specified in Rule 39. Delay on the part of Editors and Examiners of Translations will be no excuse for extending the time. But such delays will be reported immediately on their occurrence to the Registrar by the office for necessary orders, and the Registrar may then, in proper cases, extend the time for the preparation of the Paper Books.

51. The estimate for the preparation of the Paper-books in such Appeals shall be prepared in accordance with the particulars in Rule 47 above, except that—

(*i*) For "eight annas" in clause (*e*) should be read "ten annas";

(*ii*) For "24 copies" in clause (*g*) should be read "64 copies";

(*iii*) For "Re. 1-2 per page" in clause (*g*) should be read "Re. 1-3 per page";

(*iv*) For "annas two per page" in clause (*h*) should be read "anna one per page".

The entire estimated cost shall be deposited with the Accountant of the Court and from such deposit the Court's office will keep the undertaking Advocate supplied with funds to carry on the work of preparation of the Paper-book. When the Paper-book is prepared and filed it shall be finally taxed by the Registrar.

52. Paper-books for the use of the High Court in such Appeals shall be printed and edited in accordance with the directions in Rule 48 above, with the additional direction that the printing of each separate document and exhibit shall begin on a separate sheet.

53. (*a*) There shall ordinarily be printed and filed in the Court's office 64 copies of the Paper-book, 24 copies of which shall be bound copies for the use of the High Court and 40 unbound copies, the latter being filed in a sealed cover and kept in safe custody in the Paper-Book Department for use in the event of a Privy Council Appeal being filed. Provided that the Registrar may, when necessary, direct a larger number of Paper-books to be printed.

(*b*) Of the 24 bound copies 10 copies shall be retained for the use of the Court and the remaining 14 copies distributed to the Appellant and the Respondent in the proportion laid down in Rule 49.

54. The printing of Paper-books in such cases will be done only by the presses approved by the Court, a list of which shall be maintained in the Court's office. The Advocate concerned will be free to select any press from this approved list of presses, but instances of indifferent work, delay, etc., in the printing of Paper-books by any such press shall be brought immediately to the notice of the Registrar, who may direct the removal of the press or presses concerned from the list or pass such order or orders as to him seem proper.

D—Analogous Appeals from Original Decrees and Orders, some valued under, and some at or over, Rs. 10,000.

55. In analogous Appeals from Original Decrees and Orders some of which are valued below and some at Rs. 10,000 or above, all the Appeals shall be treated as Appeals valued at Rs. 10,000 or above, for the purpose of the preparation of the Paper-books, unless on a verified petition duly filed, the Advocate for any party obtains orders of the Registrar for relaxing the Rule in any particular case.

Part III—Appeals from Appellate Decrees.

56. The Paper-books in all Appeals from Appellate Decree will consist of the following papers:—

(*a*) The judgment of the first Court;

(*b*) The judgment of the lower appellate Court;

(*c*) Any judgment or orders of remand passed in the case either by the lower appellate Court in Appeal or by the High Court on Second Appeal;

(*d*) The Memorandum of Second Appeal;

(*e*) A front leaf containing the number of the cause; the names of the Judges of the two Courts below; the names of the parties and of their Advocates; the date of the institution of the suit; the date of the judgment of the first Court; the date of the judgment of the lower appellate Court; the date on which the Appeal was filed and the date on which the Appeal was decided.

NOTE (*1*).—The Advocate for the Appellant shall, before the hearing of the Appeal, serve on the Advocate for the Respondent a typewritten copy, or a typewritten copy of the translation, as the case may be, of any document, other than those mentioned above, which he considers necessary for the decision of the Appeal, and shall also provide two such typewritten copies, or typewritten copies of the translation, for the use of the Division Court. If he fails to do so, he shall not refer to such document at the hearing, and no adjournment of the hearing of the Appeal will be granted on this account, unless the Court otherwise directs.

NOTE (*2*).—If, in any Second Appeal, the Bench at the time of the preliminary hearing under Order XLI, Rule 11, Civil Procedure Code, or the Advocate for the Appellant, desires that translations of the plaints or written statements should be prepared, the Advocate for the Appellant shall, before the hearing of the Appeal, serve on the Advocate for the Respondent typewritten copies of the translations of such plaints or written statements, and shall also provide two such typewritten copies for the use of the Division Court.

57. Except as otherwise provided in these Rules, in each case of Second Appeal, including Appeals under Chapter X of the Bengal Tenancy Act, the Registrar shall cause to be prepared at the cost of the parties six typewritten copies of the Paper-book as aforesaid.

58. In the case of Second Appeals not exceeding Rs. 50 in value, other than Appeals under Chapter X of the Bengal Tenancy Act, and in Second Appeals from Orders (including orders under Section 47, Civil Procedure Code) irrespective of the value of such Appeals, and in Appeals from Remand Orders under Order XLI, Rule 23, Civil Procedure Code, in which the valuation of the Appeal does not exceed Rs. 50, the Registrar shall cause to be prepared three typewritten copies of the Paper-book as aforesaid for the use of the Judges and the Advocate for the Deputy Registrar, if any, and no charge shall be levied from the parties on account of the preparation of such Paper-books. If there is no Advocate on behalf of the Deputy Registrar representing any minor, then the spare copy of the Paper-book (third copy) may be sold at Rs. 3, if the Appellant or the Respondent desires to purchase the same.

59. In the case of Appeals from Appellate Decrees and Appeals from Remand Orders under Chapter XLI, Rule 23, Civil Procedure Code, in which the valuation of the Appeal exceeds Rs. 50 and in all Appeals under Chapter X of the Bengal Tenancy Act (irrespective of value), the Appellant shall within 30 days from the date of the registration of the Appeal, deposit the sum of Rs. 10. Upon registration each Appeal shall be entered in a list in form No 14 (civil) of Appendix I which will be displayed outside the Appeal Section concerned and a copy of this list shall be sent to the Bar Association's Library. This shall constitute sufficient notice of the date of registration. The Respondent shall at the time of entering appearance deposit the sum of Rs. 5 in full payment of the cost of the preparation of typewritten Paper-books.

Upon the Appellant depositing the sum of Rs. 10 aforesaid, the Registrar shall cause to be prepared six typewritten copies of the Paper-book in accordance with Rule 56 in the Court's office. Two of these six copies will be for the use of the Court, two for the Appellant (to be used both at the preliminary hearing and at the final hearing), one for the Respondent and one spare. After admission, as the Respondent or separate sets of Respondents enter appearance, through different Advocates, they will be charged at the rate of Rs. 5 for each copy of Paper-book supplied. The Appellant shall supply a copy of the Paper-book to the Advocate for the Deputy Registrar, if there is a minor Respondent represented by the latter, out of the two copies supplied to him as aforesaid, or by purchasing an additional copy at the rate of Rs. 5.

Provided that in Appeals from Appellate Decrees in which there was an order of remand passed by the lower appellate Court and in which the previous judgments (original and appellate) will have to be included in the Paper-book, the charge for the Paper-book to the Appellant will be Rs. 12 instead of Rs 10 and to the Respondent Rs. 6 instead of Rs. 5 as in other cases.

No refund of the deposit mentioned above will be allowed on the ground that Paper-books were not ready at the hearing of the Appeal under Order XLI, Rule 11, Civil Procedure Code, in cases fixed by the Court, on the application of the Appellant, before the Appeal has been placed on the Weekly List.

This Rule shall also govern all cases in which deposits have been made before the date it comes into force.

60. In case of batches of analogous Appeals of the classes mentioned in Rule 59 (*i.e.*, all Appeals from Appellate Decrees, Appeals from Remand Orders under Order XLI, Rule 23, Civil Procedure Code, in which the valuation of the Appeal exceeds Rs. 50 and all Appeals under Chapter X of the Bengal Tenancy Act), the Appellant shall, within 30 days from the registration of the Appeal, deposit in full payment of the cost of preparation of type-written Paper-books a sum of Rs. 10 for the first Appeal, the charge for the analogous Appeals being Re. 1-8 per Appeal up to four such Appeals and annas 12 for every such Appeal in excess of four, the additional charge not exceeding Rs. 10 in any case. Upon registration each Appeal shall be entered in a list which shall be displayed outside the Appeal Section concerned and a copy of this list shall be sent to the Bar Association's Library. This shall constitute sufficient notice of the date of registration.

In such cases the Respondent on entering appearance shall deposit Rs. 5 for the First Appeal, and half the charge prescribed for the Appellant in respect of the analogous Appeals, the additional charge not exceeding Rs. 5 in any case. The principle of this Rule will apply to each set of Respondents who enter appearance through separate Advocates.

NOTE.—In a case in which some of the analogous Appeals are above Rs. 50 in value and some below Rs. 50 in value the principle of the above Rule shall apply to the whole batch.

61. Where analogous Appeals have been presented in separate batches each batch of such Appeals presented by the same Appellant, or by the same Advocate representing different Appellants, shall be considered as a separate batch of analogous Appeals and the cost of preparation of the Paper-book shall be deposited for each batch of such Appeals separately calculated according to the provisions of Rule 60.

In the case of single Appeals presented by different Advocates, or Appellants in person, such cost shall be deposited as provided in Rule 59 for each such separate Appeal, notwithstanding that such Appeals may be analogous to others.

62. If in a Second Appeal above Rs. 50 in value an Advocate desires to move the Court for an order for stay of execution in the lower Court under Order XLI, Rule 5, Civil Procedure Code, on the same day that an Appeal is filed, and if the Appeal is in order and is accepted by the Stamp Reporter, the Advocate shall provide a copy of the Memorandum of Appeal with annexures for the use of the 2nd Judge at the preliminary hearing. If such Appeal is admitted under Order XLI, Rule 11, Civil Procedure Code, the sum of Rs. 10 or Rs. 12 shall be deposited (as required by Rule 59), but if the Appeal is dismissed no such deposit need be made.

	Proper fees. Rs. A. P.
No prayer for the acceptance of one process fee for the service of notices both in an Appeal and a connected Rule, or in two or more analogous Appeals, shall be considered unless written up notices both in that Appeal and in the connected Rule or in the two or more analogous Appeals are filed at the time the prayer is made and can be served simultaneously.

23. The number of folios required should be carefully calculated so as to obviate the necessity for obtaining additional folios from the applicant.

24. If, owing to insufficient or incorrect description, the document cannot be traced, the application should be so endorsed and submitted at once to the Deputy Registrar or other Officer of the Court for orders.

25. On receipt of the estimate as to the number of folios required, the Superintendent of the Copying Section shall enter the amount of Court-fee stamps and the other charges in the middle column of the application, and shall notify the amount in the prescribed register [*see* Form No. 17 (civil) of Appendix I] not later than the next following day.

26. If the stamps and folios are not filed within seven days of the notification in the prescribed Register, the application shall be rejected by the Deputy Registrar or other Officer of the Court.

27. If an application has been rejected under rule 26 and the copy is still required, a fresh application must be filed and dealt with in the manner prescribed by these rules, as though the original application had not been made.

28. When the stamps and folios are filed, a note to that effect, and the date, shall be entered in the place provided in the application for the purpose, and the applicant shall be required to sign this entry. The date on which the copy will be ready shall also be noted in the appropriate column of the application form and a corresponding entry shall be made by the Superintendent of the Copying Section in the counterfoil of the application. The applicant shall retain the counterfoil, and it shall be his duty to attend on the date fixed for the purpose of receiving the copy.

29. If and when it is ascertained that extra Court-fees or extra folios for copies are required, the amount of such Court-fees or folios should be immediately notified in the prescribed register [*see* Form No. 17 (civil) of Appendix I] and shall be put in within seven days of such notification.

30. When the applicant complies with rule 29, a note should be made on the reverse of the counterfoil showing the date and number of extra folios and the date and number and the value of the extra Court-fees filed. This note shall be signed both by the applicant and by the Superintendent of the Copying Section.

31. Every copy must bear the signature of the copyist making it and the date on which the copy was completed. It must also bear the signature of the clerk who examined the copy and the date on which such copy was examined.

32. In ordinary circumstances a copy shall be furnished not later than 1 p.m. on the fifth day after the necessary Court-fee stamps and folios have been put in.

33. On receipt of the original application, the Superintendent of the Copying Section shall attach to it the copy and all unused folios. On the applicant's appearance with the counterfoil, the Superintendent of the Copying Section shall make over to him the copy and unused folios, taking his receipt in the counterfoil of the application which he will retain in his custody.

34. Should the applicant, in any case, fail to appear to claim either the copy or the unused folios before the last day of the month succeeding that on which the copy was ready for delivery or should he fail to put in the extra court fees or extra folios within the period prescribed in rule 29, such copy and unused folios shall be destroyed.

35. In any case in which a copy is refused, or cannot be granted, the folios supplied by the applicant shall be returned to him when he is so informed.

(*ii*) Date of notifying the requisite number of folios and stamps.

(*iii*) Date of delivery of the requisite folios and stamps.

EDUCATION DEPARTMENT.

NOTIFICATIONS.

Minister-in-charge: The Hon'ble Khan Bahadur M. Azizul Haque.

No. 1186Edn.—24th March 1936.—In exercise of the powers conferred by rule 39 of the Civil Services (Classification, Control and Appeal) Rules, made by the Secretary of State for India in Council under sub-section (*2*) of section 96B of the Government of India Act, the following rules are hereby made by the Local Government:—

1. These rules may be called the Bengal Educational Service Recruitment Rules, 1936.

2. For the purposes of these rules—

(*1*) The Selection Board shall be as constituted by the Bengal Selection Board (Constitution and Functions) Rules.

(*2*) "Government" means the Local Government as defined in clause 4 of section 134 of the Government of India Act.

3. Recruitment to the Bengal Educational Service shall be by—

(*a*) promotion from Subordinate Services in the Education Department, or

(*b*) direct appointment:

Provided that, if any particular post in the cadre of the service cannot suitably be filled by the above methods of recruitment, a person may be recruited, after consultation with the Selection Board, for a limited period on such terms as the Local Government thinks fit, one post in the service being held in abeyance during such period.

4. (*1*) When a vacancy occurs in the service, Government shall decide in which way recruitment shall take place.

(*2*) Government may from time to time determine the proportions of vacancies in posts or categories of posts which shall be filled by promotion.

5. No recruitment shall be made in the Bengal Educational Service without previous consultation with the Selection Board:

Provided that Government may make appointments without such consultation in vacancies lasting not more than six months:

Provided also that nothing in these rules shall prejudice the right of Government to appoint without reference to the Selection Board any member of the Bengal Educational Service to any post in that service.

6. When recruitment is to be made by promotion, Government shall call for recommendations for promotion which shall be forwarded for the consideration of the Selection Board.

Government may prescribe—

(*1*) the authorities by whom and to whom, the channels through which and the dates on which recommendations shall be made.

(*2*) the number of recommendations which may be made by each authority prescribed, and

(*3*) the qualifications rendering persons eligible for promotion, and the methods by which these qualifications shall be established.

7. When direct appointment is to be made there shall be published in the *Calcutta Gazette* and in such other manner as Government may from time to time direct, a notification containing instructions on all or any of the following matters, namely:—

(*1*) number and nature of vacancies,
(*2*) date of submission of applications and method of submission,
(*3*) qualifications required from candidates and the methods by which these qualifications shall be established.

8. (*1*) Direct appointment may be made in India, or in India and the United Kingdom.

(*2*) The agency for direct appointment in the United Kingdom shall be the High Commissioner for India acting on the advice of any committee he may appoint for the purpose.

9. In cases of direct appointment, the applications received, either in India or in the United Kingdom, shall be forwarded for the consideration of the Selection Board, together with any recommendation made by the High Commissioner for India.

10. (*1*) When, in the case of direct appointment, the Selection Board has forwarded to Government its recommendations, Government shall require any or all of the candidates who have been recommended by the Selection Board and have not appeared before the Medical Board convened by the High Commissioner for India, to appear before a Medical Board selected and convened by the Surgeon-General, Bengal.

(*2*) Candidates recommended by the High Commissioner for India shall appear before a Medical Board convened by the High Commissioner.

(*3*) Male candidates shall conform with the standards prescribed in Schedule I to these rules and female candidates shall conform with the same standards so far as they are applicable. In the case of female candidates the Medical Board shall, if the candidate so desires, be composed of women doctors. The Medical Board, whether convened in India or in the United Kingdom, shall furnish a certificate in the form appended to Schedule 1, and no candidate shall be appointed unless he has been certified as physically fit.

11. No person shall be appointed to the Bengal Educational Service who is not of good character and in all respects suitable for appointment to the service of Government and no person will be eligible for appointment to this Service who has endeavoured to enlist for his candidature the support of persons of influence or of officials of Government. Spontaneous recommendations from persons interested in, or otherwise known to, the candidate will be disregarded.

12. (*1*) In making direct appointments Government reserve the right to call for recommendations from the Selection Board for nomination of suitable qualified Muslims for appointment in any vacancy with a view to securing that the percentage of Muslims in the Service is at least 40 per cent. of its total strength, provided that for the purpose of this percentage, the men's and the women's branches shall be considered as separate.

(*2*) Government may from time to time by rule determine the proportion of vacancies to be reserved for any other community and thereafter all appointments made shall conform to such rules.

13. Without the previous sanction of the Governor-General in Council, no person shall be appointed to the Bengal Educational Service, who is not a British subject or the subject of a State in India.

SCHEDULE I.

Regulations as to the physical examination of candidates for direct recruitment to the Bengal Educational Service.

General physical requirements.

I. A candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of his duty.

II. In the examination of candidates the Medical Board will apply the following table of correlation of age, height and chest girth :—

Age.	Height without shoes.	Chest measurement on full expiration.	Chest measurement on full inspiration.
	Inches.	Inches.	Inches.
21 and upwards	62½ and under 65	30	32
	65 ,, 68	31	33
	68 ,, 70	32	34
	70 ,, 72	33	35½
	72 and upwards	34	36½

III. *Measurement of chest.*—The candidate will be made to stand erect with his feet together and to raise his hands above his head. The tape will be carefully adjusted round the chest, with its posterior upper edge touching the inferior angles of the shoulder blades, and its anterior lower edge the upper part of the nipples. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to empty his chest of air as much as is possible. This is best done by continuous whistling with the lips as long as sound can be produced. The tape will be carefully gathered in during the process, and when the minimum measurement is reached it will be recorded. The candidate will then be directed to inflate his chest to its utmost capacity. The maximum measurement will likewise be noted. The girth with the chest fully expanded and the range of expansion between the minimum and maximum will then be recorded. In all doubtful cases the functional capacity of the lungs may be tested by means of the spirometer. The minimum vital capacity as tested by the spirometer shall in no case be below 180 cubic inches.

IV. The hearing must be good.

V. The speech must be without impediment.

VI. The teeth must be in good order, *i.e.*, decayed or broken teeth must be properly stopped or crowned, and deficient teeth replaced by artificial teeth, where necessary, for effective mastication.

VII. The chest must be well formed, the lungs and heart sound.

VIII. Rupture, hydrocele, varicocele, varicose veins in a severe degree, or other conditions likely to cause inefficiency will disqualify a candidate, unless such condition is cured by operation. Where any candidate has been rejected and has subsequently undergone one or other operation for hernia, hydrocele, varicocele or varicose veins, the Board may pass him, provided they are satisfied that the candidate has been radically cured.

IX. The limbs, feet and toes must be well formed and developed, with free and perfect motion of all the joints.

X. A candidate must have no congenital malformation or defect likely to interfere with his efficiency.

XI. A candidate must not be subject to chronic skin disease.

XII. Evidence of previous acute or chronic disease pointing to an impaired constitution will disqualify.

Standard of minimum acuteness of vision required for appointment in the Provincial Services.

Better eye.	Worse eye.
Vision=$^6/_6$	Vision=$^6/_9$

after correction with glasses, provided there are no morbid changes present in the choroid or retinæ.

2. Cases of myopia may be admitted provided the ametropia in either eye or both eyes does not exceed—3·5 D and there are no morbid changes in the choroid or retinæ.

Cases of myopia with posterior staphyloma may, however, be admitted, provided ametropia in either eye does not exceed—2·5 D and no morbid changes are present in the choroid or retinæ.

3. Candidates with hypermetropia may be admitted, provided the acuteness of vision is—

Better eye.	Worse eye.
Vision=$^6/_6$	Vision=$^6/_9$

after correction with glasses.

4. In cases of defective vision due to nebula of the cornea, the candidate will be rejected.

5. Squints or any morbid conditions subject to risk of aggravation or recurrence in either eye may cause rejection of a candidate.

6. Colour vision need not be taken into account.

Form of medical certificate for candidates for direct recruitment to the Bengal Educational Service.

The attention of the Medical Board is specially directed to the following:—

No person will be deemed qualified for admission to the service who shall not satisfy Government that he has no disease, constitutional affection or bodily infirmity, unfitting him, or likely to unfit him, for the service. It should be understood that the question of fitness involves the future as well as the present and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension. It is at the same time to be noted that the question is one of the likelihood of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service. Before filling up the form it should be ascertained from the candidate whether he has been previously pronounced unfit for Government service by any duly constituted medical authority in India or elsewhere.

No. 1189Edn.—24th March 1936.—In supersession of rules promulgated in Notification No. 1589Edn., dated the 27th June 1934, and in exercise of the powers conferred by rule 39 of the Civil Services (Classification, Control and Appeal) Rules, made by the Secretary of State for India in Council under sub-section (*2*) of section 96B of the Government of India Act, the following rules are hereby made by the Local Government:—

1. These rules may be called the Bengal Senior Educational Service Recruitment Rules, 1936.

2. For the purposes of these rules—

(*1*) The Selection Board shall be as constituted by the Bengal Selection Board (Constitution and Functions) Rules.

(*2*) "Government" means the Local Government as defined in clause (4) of section 134 of the Government of India Act.

3. Recruitment to the Bengal Senior Educational Service shall be by—

(*a*) promotion from the Bengal Educational Service, or

(*b*) direct appointment:

Provided that, if any particular post in the cadre of the service cannot suitably be filled by the above methods of recruitment, a person may be recruited, after consultation with the Selection Board, for a limited period on such terms as the Local Government thinks fit, one post in the service being held in abeyance during such period:

Provided also that the posts named in Schedule I shall be reserved for members of the Indian Educational Service so long as there are members of that service available and fit to occupy them.

4. (*1*) When a vacancy occurs in the service, Government shall, subject to the second proviso of rule 3, decide in which way recruitment shall take place.

(*2*) Government may from time to time determine the proportions of vacancies in posts or categories of posts which shall be filled by promotion.

5. No recruitment shall be made in the Bengal Senior Educational Service without previous consultation with the Selection Board:

Provided that Government may make appointments without such consultation in vacancies lasting not more than six months:

Provided also that nothing in these rules shall prejudice the right of Government to appoint without reference to the Selection Board any member of the Bengal Senior Educational Service to any post in that service subject to the second proviso of rule 3.

6. When recruitment is to be made by promotion, Government shall call for recommendations for promotion which shall be forwarded for the consideration of the Selection Board.

Government may prescribe—

(*1*) the authorities by whom and to whom, the channels through which and the dates on which recommendations shall be made,

(*2*) the number of recommendations which may be made by each authority prescribed, and

(*3*) the qualifications rendering persons eligible for promotion, and the methods by which these qualifications shall be established.

7. When direct appointment is to be made there shall be published in the *Calcutta Gazette* and in such other manner as Government may from time to time direct, a notification containing instructions on all or any of the following matters, namely:—

(*1*) number and nature of vacancies,
(*2*) date of submission of applications and method of submission,
(*3*) qualifications required from candidates and the methods by which these qualifications shall be established.

8. (*1*) Direct appointment may be made in India, or in India and the United Kingdom.

(*2*) The agency for direct appointment in the United Kingdom shall be the High Commissioner for India acting on the advice of any committee he may appoint for the purpose.

9. In cases of direct appointment, the applications received, either in India or in the United Kingdom, shall be forwarded for the consideration of the Selection Board, together with any recommendation made by the High Commissioner for India.

10. (*1*) When, in the case of direct appointment, the Selection Board has forwarded to Government its recommendations, Government shall require any or all of the candidates who have been recommended by the Selection Board and have not appeared before the Medical Board convened by the High Commissioner for India, to appear before a Medical Board selected and convened by the Surgeon-General, Bengal.

(*2*) Candidates recommended by the High Commissioner for India shall appear before a Medical Board convened by the High Commissioner.

(*3*) Male candidates shall conform with the standards prescribed in Schedule II to these rules and female candidates shall conform with the same standards so far as they are applicable. In the case of female candidates the Medical Board shall, if the candidate so desires, be composed of women doctors. The Medical Board, whether convened in India or in the United Kingdom, shall furnish a certificate in the form appended to Schedule II; and no candidate shall be appointed unless he has been certified as physically fit.

11. No person shall be appointed to the Bengal Senior Educational Service who is not of good character and in all respects suitable for appointment to the service of Government, and no person will be eligible for appointment to this service who has endeavoured to enlist for his candidature the support of persons of influence or of officials of Government. Spontaneous recommendations from persons interested in, of otherwise known to, the candidate will be disregarded.

12. (*1*) In making direct appointments, Government reserve the right to call for recommendations from the Selection Board for nomination of suitable qualified Moslems for appointment in any vacancy with a view to securing that the percentage of Muslims in the service is at least 33⅓ per cent. of its total strength, provided that for the purpose of this percentage the men's and the women's branches shall be considered as separate.

(*2*) Government may from time to time by rule determine the proportion of vacancies to be reserved for any other community and thereafter all appointments made shall conform to such rules.

13. Without the previous sanction of the Governor-General in Council, no person shall be appointed to the Bengal Senior Educational Service who is not a British subject or the subject of a State in India.

SCHEDULE I.

(*i*) Principals of first grade Arts Colleges.
(*ii*) Principals of Training Colleges.
(*iii*) Principal, Bengal Engineering College.
(*iv*) Assistant Directors of Public Instruction.

SCHEDULE II.

Regulations as to the physical examination of candidates for direct recruitment to the Bengal Senior Educational Service.

General physical requirements.

I. A candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of his duty.

II. In the examination of candidates the Medical Board will apply the following table of correlation of age, height and chest girth:—

Age.	Height without shoes.	Chest measurement on full expiration.	Chest measurement on full inspiration.
	Inches.	Inches.	Inches.
21 and upwards	62½ and under 65	30	32
	65 ,, 68	31	33
	68 ,, 70	32	34
	70 ,, 72	33	35½
	72 and upwards	34	36½

III. *Measurement of chest.*—The candidate will be made to stand erect with his feet together and to raise his hands above his head. The tape will be carefully adjusted round the chest, with its posterior upper edge touching the inferior angles of the shoulder blades, and its anterior lower edge the upper part of the nipples. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to empty his chest of air as much as is possible. This is best done by continuous whistling with the lips as long as sound can be produced. The tape will be carefully gathered in during the process, and when the minimum measurement is reached it will be recorded. The candidate will then be directed to inflate his chest to its utmost capacity. The maximum measurement will likewise be noted. The girth with the chest fully expanded and the range of expansion between the minimum and maximum will then be recorded. In all doubtful cases the functional capacity of the lungs may be tested by means of the spirometer. The minimum vital capacity as tested by the spirometer shall in no case be below 180 cubic inches.

IV. The hearing must be good.

V. The speech must be without impediment.

VI. The teeth must be in good order, *i.e.*, decayed or broken teeth must be properly stopped or crowned, and deficient teeth replaced by artificial teeth, where necessary, for effective mastication.

VII. The chest must be well formed, the lungs and heart sound.

VIII. Rupture, hydrocele, varicocele, varicose veins in a severe degree, or other conditions likely to cause inefficiency will disqualify a candidate, unless such conditions is cured by operation. Where any candidate has been rejected and has subsequently undergone one or other operation for hernia, hydrocele, varicocele or varicose veins, the Board may pass him, provided they are satisfied that the candidate has been radically cured.

IX. The limbs, feet and toes must be well formed and developed, with free and perfect motion of all the joints.

X. A candidate must have no congenital malformation or defect likely to interfere with his efficiency.

XI. A candidate must not be subject to chronic skin disease.

XII. Evidence of previous acute or chronic disease pointing to an impaired constitution will disqualify.

Standard of minimum acuteness of vision required for appointment in the Provincial Services.

Better eye.	Worse eye.
Vision=$^6/_6$	Vision=$^6/_6$

after correction with glasses, provided there are no morbid changes present in the choroid or retinæ.

2. Cases of myopia may be admitted provided the ametropia in either eye or both eyes does not exceed—3·5 D and there are no morbid changes in the choroid or retinæ.

Cases of myopia with posterior staphyloma may, however, be admitted, provided ametropia in either eye does not exceed—2·5 D and no morbid changes are present in the choroid or retinæ.

3. Candidates with hypermetropia may be admitted, provided the acuteness of vision is—

Better eye.	Worse eye.
Vision=$^6/_6$	Vision=$^6/_6$

after correction with glasses.

4. In cases of defective vision due to nebula of the cornea, the candidate will be rejected.

5. Squints or any morbid conditions subject to risk of aggravation or recurrence in either eye may cause rejection of a candidate.

6. Colour vision need not be taken into account.

Form of medical certificate for candidates for direct recruitment to the Bengal Senior Educational Service.

The attention of the Medical Board is specially directed to the following:—

No person will be deemed qualified for admissoin to the service who shall not satisfy Government that he has no disease, constitutional affection or bodily infirmity, unfitting him, or likely to unfit him, for the service. It should be understood that the question of fitness involves the future as well as the present and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension. It is at the same time to be noted that the question is one of the likelihood of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service. Before filling up the form it should be ascertained from the candidate whether he has been previously pronounced unfit for Government service by any duly constituted medical authority in India or elsewhere.

Copies of the Application Form, together with the Rules, Regulations and Syllabus of the examination, may be obtained from the local Government of the Province, or the Political Officer or Agent, as the case may be.

4. Any person who has appeared at an examination the passing of which will render him eligible to appear at the Indian Police Examination, but has not been informed of the result, may apply for admission to the latter examination. A candidate who intends to appear at such a qualifying examination may also apply, provided the qualifying examination is to be concluded before the commencement of the Indian Police Examination. His application will be accepted provisionally if he is eligible in all other respects and he will be required to furnish before the 1st July 1936, to the Local Government, or thereafter to the Public Service Commission, but not later than the date on which the results are

9. Candidates should state the name of the examination for which they have applied in all correspondence with the Public Service Commission.

7. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a member of the Indian Police, and a candidate who is found after examination by a Medical Board not to satisfy these requirements will not be appointed.

In exceptional cases the Public Service Commission may, on the recommendation of the Local Government, treat as a qualified candidate a candidate who, though not possessing any of the foregoing qualifications, has passed examinations conducted by other institutions of a standard which in the opinion of the Public Service Commission justifies his admission to the examination.

NOTE.—"A candidate who has secured the Cambridge School Certificate 'B' will be eligible for admission to the examinations to be held in 1936 and 1937, provided that he produces a certificate from the Head of the Institution from which he appeared at the examination to show that prior to being awarded the certificate, he underwent the course necessary for being entered for 'Certificate A' in an approved school and was eligible for being so entered."

The candidates so recommended shall be admitted to the examination unless they are disqualified under the rules or are excluded by the Public Service Commission on the recommendation of the Local Government. To every candidate selected for admission to the examination, the Public Service Commission shall give a certificate of having been so selected and no person to whom such certificate has not been given shall be admitted to the examination.

13. No recommendations except those invited in the form of application will be taken into consideration. Any attempt on the part of a candidate to obtain support for his application by other means may disqualify him for selection.

Resolution on the Annual Report on the Survey and Settlement Operations in Bengal for the year ending 30th September 1935.

GOVERNMENT OF BENGAL.

Revenue Department.

Land Revenue.

CALCUTTA, THE 20TH MARCH 1936.

RESOLUTION—No. 4736 L. R.

Read—

The Annual Report on the Survey and Settlement Operations in Bengal for the year ending 30th September 1935.

The main traverse operations covered an area of 1,476 square miles in the districts of Dinajpur and Howrah, of which an area of 1,329 square miles was done by the method of post-pointing and the remainder by the ordinary method. An area of 4 square miles was also retraversed by the ordinary method in the district of Rangpur. Minor traverse work was carried out to the extent of 273 square miles scattered over several districts in the province. Valuable work was also done by the Survey Department in comparative mapping, relaying of boundaries and reproduction of maps. The total number of sheets printed was 12,033 against 10,119 in the previous year. Besides, special maps were prepared for the Development Commissioner and for the Delimitation Committee showing the various constituencies by colours as expeditiously as possible. It is satisfactory to note that while maintaining a very high standard of accuracy of the work, it was possible to reduce costs rates in all these operations by stricter supervision.

2. During the year, major settlement operations were in progress in the districts of Burdwan, Hooghly, Malda, Rangpur, Dinajpur and Howrah, while minor settlements as well as the maintenance operations under section 158A of the Bengal Tenancy Act were conducted in 13 districts.

3. The total area for which a record-of-rights has been prepared comes to *58,459 square miles as against the area of *65,095 square miles to which the Bengal Tenancy Act applies. The maps and the records are, as usual, gaining in popularity and their usefulness is being highly appreciated in every branch of administration.

4. During the year under review, the privilege of certificate procedure under section 158A of the Bengal Tenancy Act was granted to 39 private estates while 16 more applications for the concession were under the consideration of Government at the close of the year.

5. Satisfactory progress was made towards recovery of settlement costs, and, as in the previous year, realisation by coercive measures was small in comparison with voluntary payments.*

6. Mr. J. B. Kindersley, I.C.S., was in charge of the Department throughout the year. The Governor in Council has much pleasure in acknowledging the efficiency and care with which the departments of survey and settlement have been managed during the year under review.
